

CONSTRUCTION NOTICE

Safety Improvements Coming Soon!

Highland Park Way SW and SW Holden St

The closure of the West Seattle High-Rise Bridge on March 23, 2020 brought significant traffic to the Highland Park neighborhood and to the already-strained intersection of Highland Park Way SW and SW Holden St. One of the first projects we built shortly after the bridge first closed was a temporary signal at the intersection. This temporary signal will be replaced by a permanent signal as part of the Highland Park Way SW and SW Holden St Safety Improvement project.

Safety improvements coming to Highland Park Way SW and SW Holden St Holden St

JUNE 2023

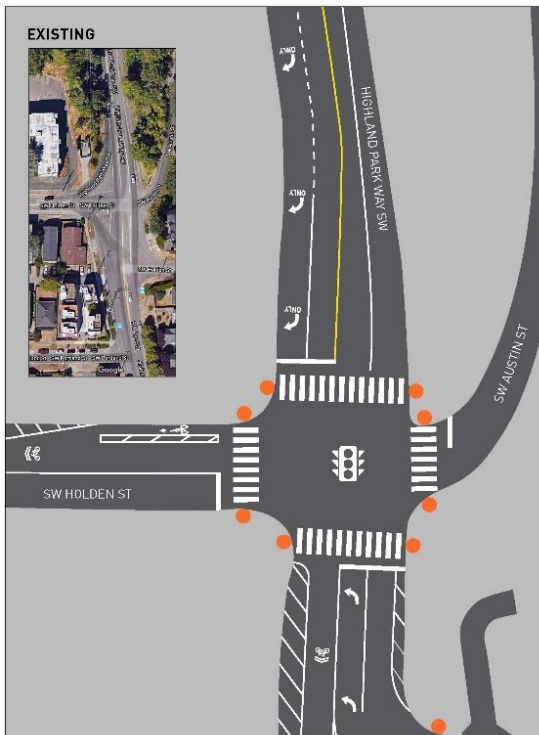

We're making safety improvements for people walking and rolling at the Highland Park Way SW and SW Holden St intersection.

This work will include:

- A new durable traffic signal with traffic cameras to monitor and adjust the signal in real-time
- Rebuilding all four corners of the intersection with new American with Disabilities Act (ADA) accessible concrete curb ramps and curb bulbs
- Painting permanent crosswalks at each crossing
- Permanent artwork

WHAT TO EXPECT DURING CONSTRUCTION

- Work will begin as soon as June and last approximately until early 2024.
- Work will occur on weekdays between 7 AM and 4 PM.
- Shifting lane closures.
- Initially, parking will not be allowed on the west side on SW Holden St while potholing work is being completed.
- Crosswalk re-routing may be in place.
- We will notify neighbors of temporary driveway closures during the work.
- Typical construction equipment, materials, noise, dust, vibration and activity in the work area.

HIGHLAND PARK TRAFFIC SAFETY IMPROVEMENTS PROJECT

 Upgrade to 4-way permanent signal

 All corners rebuilt with ramps

 New crosswalk

Public art funds were also secured for the project.
