  - This Week
  - Upcoming Week
- Q &A with attendees

# Team Introductions

Matt Howard, Public Engagement Lead

Jacky Smale, Public Engagement Consultant

Steve Schalk, Resident Engineer

Sunny Salh, SPU Engineer

# Project Background

- 3<sup>rd</sup> Ave between Virginia and Pine is part of our transit network
  - The concrete panels and asphalt patches will be repaved to create a smoother street that makes for less noisy travel
- A 100 year-old water main is under the street surface too
  - This needs to be replaced too!

# Existing Conditions

Patchwork fixes with asphalt have made the street a jigsaw puzzle of solutions – we are making it more uniform

# Existing Conditions

Several concrete panels are cracked into multiple pieces

# Last Week (August 4-10)

## Water Main (Orange Hatch lines)

@ 3<sup>rd</sup> Ave, Stewart St and Virginia St, we:

- Began installing the temporary water main

## Paving (Blue Hatch lines)

@ 3<sup>rd</sup> Ave, between Pine to Stewart, we:

- Demolished two concrete panels and poured two new concrete panels

# This Week (August 11-14)

## Water Main (Orange Hatch lines)

@ 3<sup>rd</sup> Ave, Stewart St and Virginia St, we:

- Began installing the temporary water main

## Paving (Blue Hatch lines)

@ 3<sup>rd</sup> Ave, between Pine to Stewart, we:

- Demolished two concrete panels and poured two new concrete panels

# This Weekend (August 15-17)

## What?

We will NOT WORK this upcoming weekend

## Why?

Revive I-5 Closure - August 15-18:  
The second weekend full closure on northbound I-5 to remove the work zone.

# Next Week (August 18-22)

## Water Main & Paving

@ 3<sup>rd</sup> Ave, between Stewart & Virginia St:

- ONLY on August 22
  - Sawcut concrete panels on the east side of the street

# First Water Shutoff Schedule

**Friday, August 22-Saturday, August 23 from 11pm to 7am**

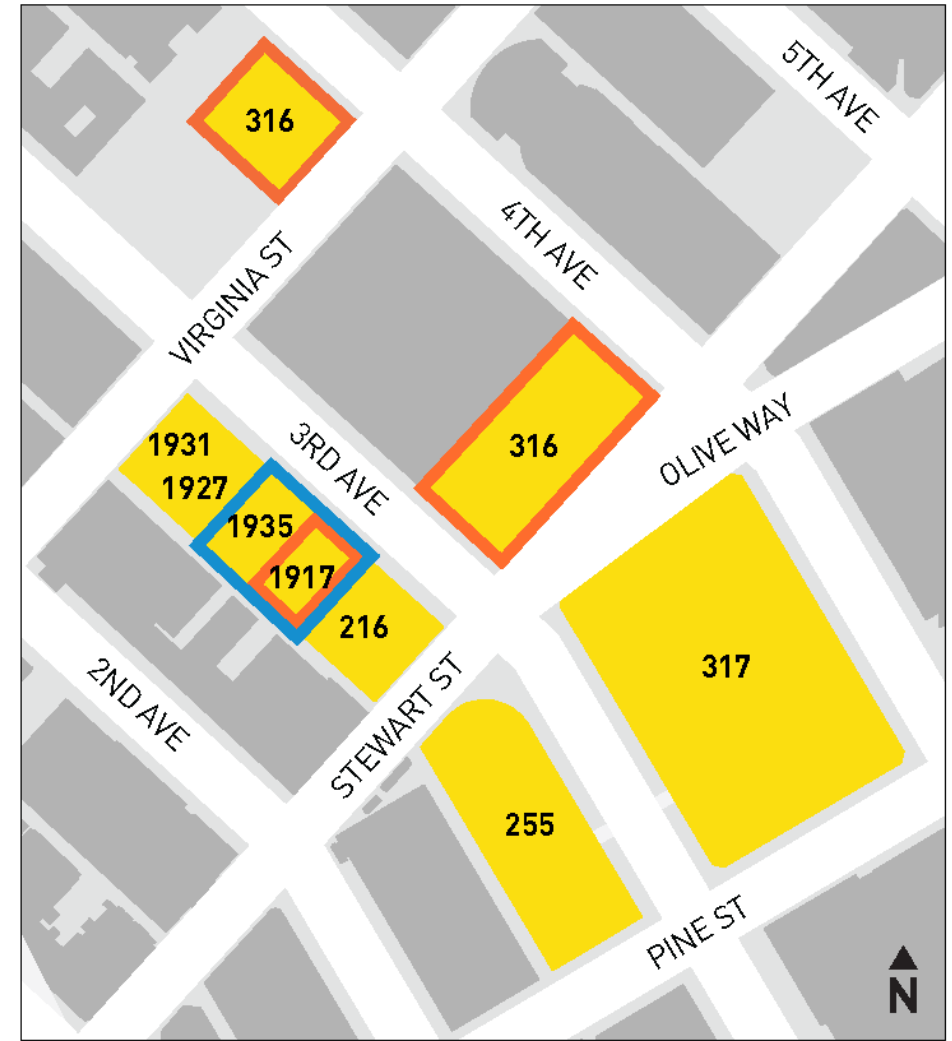

All buildings in yellow will be affected

**Sunday, August 24 from 8am to 5pm**

Buildings outlined in blue will be affected

**Monday, August 25 from 10:30pm to 2am**
