  - This Week
  - Upcoming Week
- Q &A with attendees

# Team Introductions

Matt Howard, Public Engagement Lead

Jacky Smale, Public Engagement Consultant

Steve Schalk, Resident Engineer

Sunny Salh, SPU Engineer

# Project Update

- Pardon our pause!
  - Water Shutdown had to be rescheduled due to soil contamination in the area.

We've since resolved the issue and plan to restart work this upcoming Friday (September 12<sup>th</sup>)

# This Week (September 12-14)

## Water Main & Paving

@ 3<sup>rd</sup> Ave, between Stewart & Virginia St:

- This weekend we will:
  - Sawcut concrete panels on the east side of the street
  - Prep for upcoming temporary water main installment & water shutoffs
    - Work will take place between 9pm and 5am

# Next Week (September 15-21)

## Water Main & Paving

- Next week (Sept 15-18):
  - Transfer **water service** to the temporary line. Expect water shutoffs!
- The following weekend (Sept 19-21) we will:
  - Between Pine and Stewart, pour a new curb, and demolish and replace concrete panels in the street
    - Work will take place between 7pm and 7am (windows will vary, see the next slide)
