

3rd Ave S and S Main St Bus Stop Improvements

Construction Q&A Session
February 20, 2025

Agenda

- Project team introductions
- Construction progress update
- Schedule of upcoming work
- Q & A's from attendees

Construction Progress Update

- Some paving complete on 3rd Ave S between Washington and Yesler
- Storm sewer repair on 2nd Ave Ext/S Main St is almost complete
- Storm drainage improvements at Washington St/3rd Ave are complete
- 3rd party (Astound) conduit installation is nearing completion, work is currently on hold

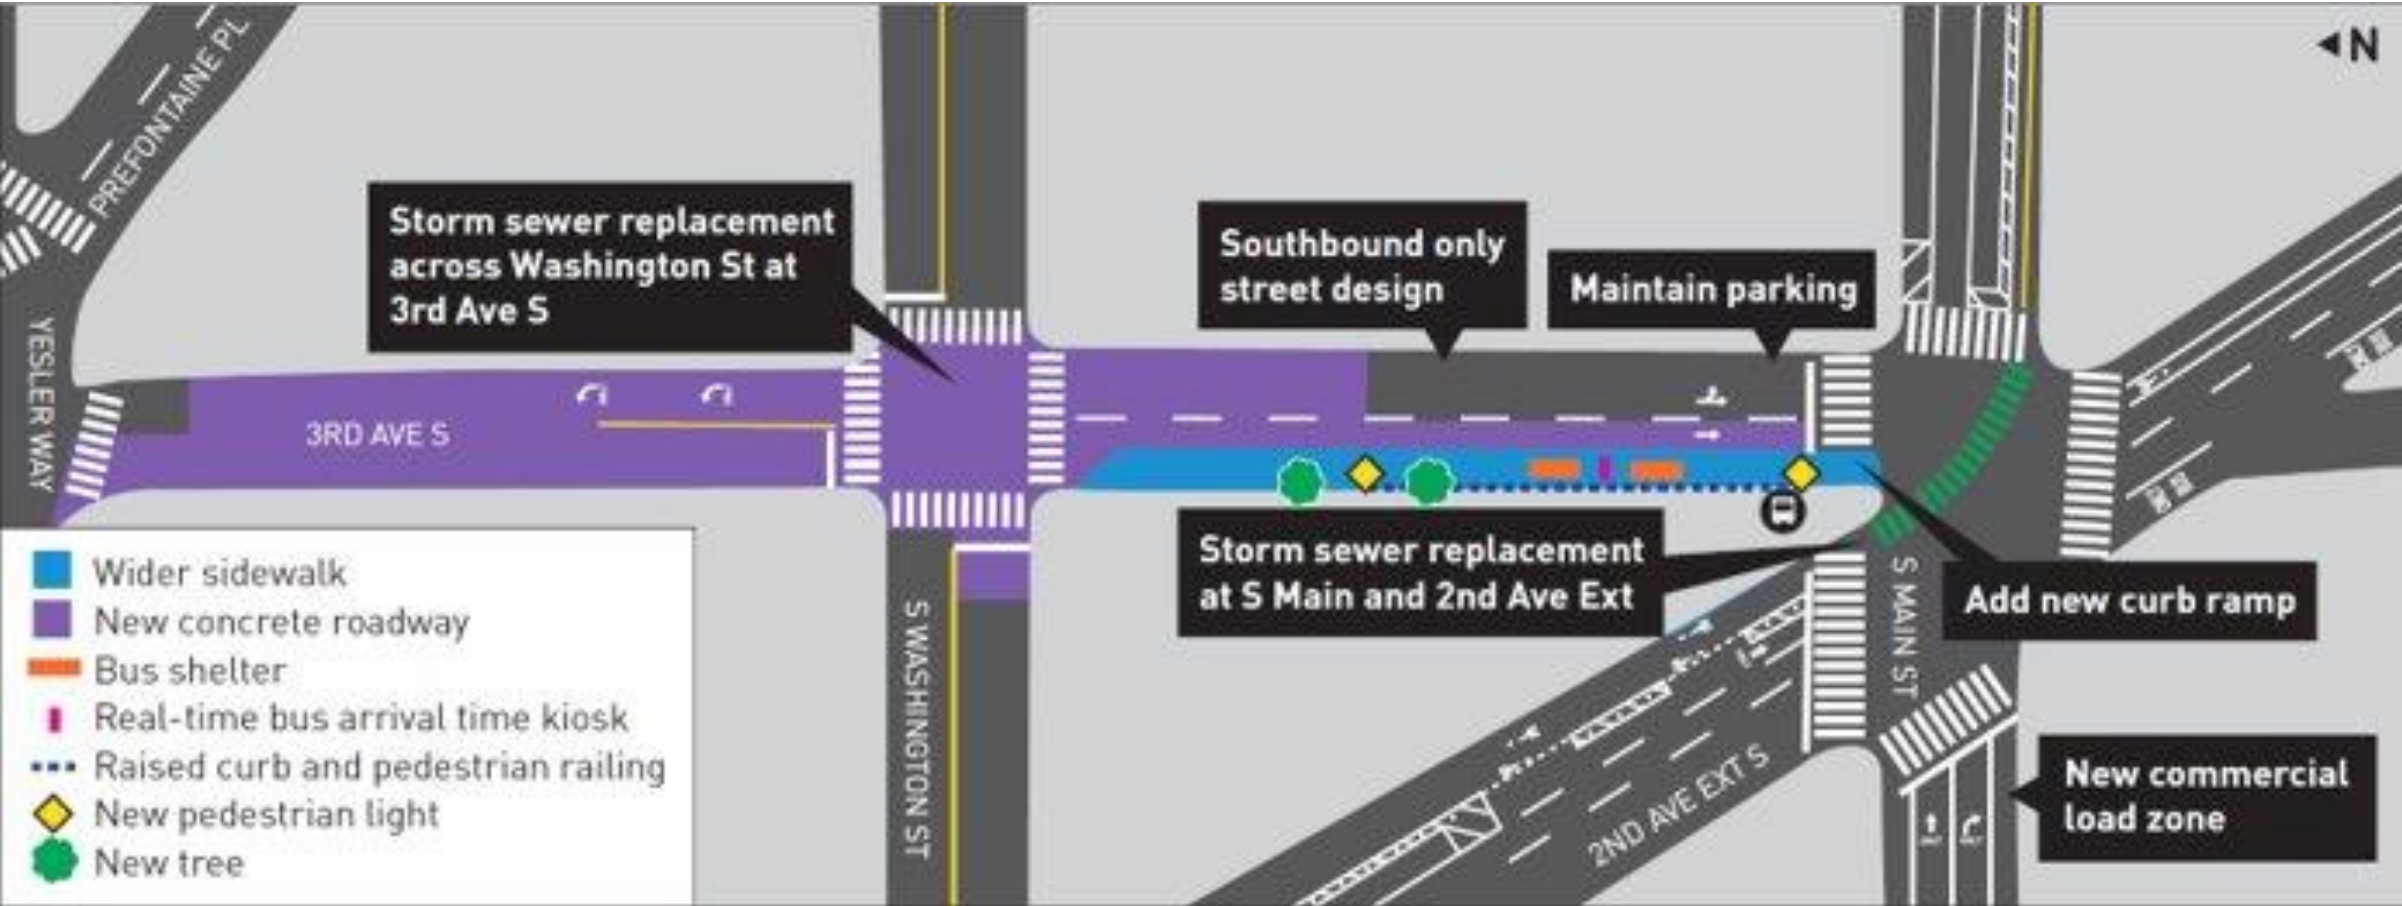

Schedule of Upcoming Work

- No contract work planned this weekend. North Sky will be performing some restoration work for their conduit installation
- Paving on 3rd Ave S will continue for the next few weeks, planned to start back up on February 26. Paving in front of the UW Clinic is scheduled on March 18-19
- Storm sewer repair at 2nd Ave Ext/Main should be complete in approximately one week

Q & A Session

From the entire SDOT and Metro Team:
Thank you!
