CONSTRUCTION NOTICE

## What

We will begin construction on the 1st & Battery Portal Porch!

## When

Work will start March 27, 2023 and continue until approximately early-summer 2023.

## Why

The corner of 1st Ave and Battery St will become an outdoor community space we are calling the "Portal Porch."

Based on what we heard from past community surveys, the Portal Porch will have:

- Over-sized modular longitudinal seating and benches in solid and robust materials.
- Round planters that will house trees and plants
- Solar powered pedestrian-scale lights

You can learn more about this project by visiting the website or contacting us:
