

# OPTION:NOD TO THE TUNNEL

Re-interpretation of industrial artifacts and historical acknowledgement of the Battery Street Tunnel. This design plays with the historical structure and features more industrial seating and hearty materials.

VOTES / COMMENTS:

GROUND PLANE TREATMENT: Saw-cut patterns + metal inlays

SEATING: Oversized longitudinal + modular

PLANTERS: Rectangular boxes

# OPTION 2:NATURE INSPIRED

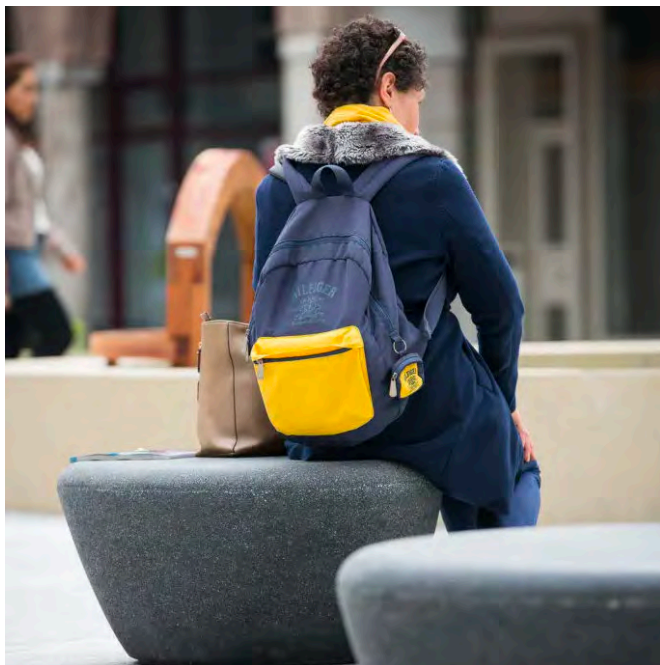

This design plays with the landscape where 2-million native wildflower species were planted by Belltown United and features pebble-like seating.

VOTES / COMMENTS:

GROUND PLANE TREATMENT: Colorful graphics

SEATING: Pebble shaped concrete

PLANTERS: Round planter bowls

# OPTION 3: URBAN PLAY

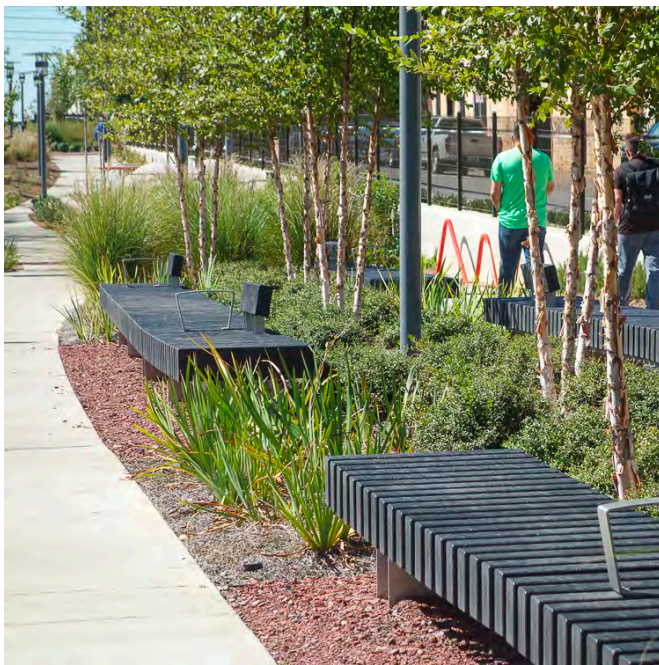

Playful and sociable spaces for people to mingle and relax. This whimsical design with colorful seating is configured to promote community interaction and creativity.

VOTES / COMMENTS:

GROUND PLANE TREATMENT: Stamped concrete

SEATING: Heavy duty + social

PLANTERS: Giant Flowerpots
