# Marka baraf jiro, qaybtaada samee si Seattle si ammaan ah ugu socoto!

## Baneey jidadka socdaalka ah

Waa sharciga iyo waxa saxa ah in la sameeyo si loo caawiyo qof walba inuu si ammaan ah u safro, gaar ahaan kuwa aragga hooseeya ama ay ku adag tahay inay ku soo safraan magalada.

## Ha wadin

Ku soco adeegyada socdaalka ah sida baska aiyo tareenka. Hadii ay khasab tahay inaad baabuur wado, barafka ka saar baabuurkaaga, aad u taxadar, raac waddooyinka la jeexay, oo adeeco calaamadaha xidhitaanka waddooyinka.

## Si nabad ah baaskiilka u wad.

Gasho dhar cimilada iyo badbaadada u fiican iyo dhar milicsanaya, nalal, iyo koofiyad. Taxadar dheeraad ah yeelo maadaama xaaladaha wadadu isla markiiba is beddeli karaan adiga iyo darawalada ayaa laga yaabaa inaad u baahan tihiin waqti dheeraad ah si aad u joojisaan.

## SDOT waa diyaar!

SDOT waxay diyaar u tahay cimilada jiilaalka Seattle. Waxaan shaqeynaa habeen iyo maalinba si aan u nadiifino 1,200 lane-mayl waddooyinka muhiimka ah ee basaska iyo adeegyada gurmadka.
