\*Data source for this report is the transfer station billing system (TSBS).

\*\*Recyclables and HHW were not kept track of in TSBS prior to January 1995.

Note: Due to a computer problem at NRDS, recyclables data for June/July were lost. Subsequently, missing data for commodity codes REC and RET were replaced by June/July 1996 weekday and weekend averages multiplied by a 1997 trend factor.
