

## Letter with Emergency Resources

Hello South Park neighbors, families and friends. We are the staff of Cultivate South Park and we would like to let you know about some of the resources we have to share with you immediately. Our main office is located above Resistencia Coffee on Cloverdale St.

List of resources at no cost to you and your family:

- Healthy Culturally appropriate food and groceries that you may need in your kitchen to prepare a delicious meal.
- Hot meals in case you do not have space to cook. We serve from Monday to Thursday and some Saturdays during January through March. We can also open our kitchen for you to come cook your own food if you wish.
- We have nice gently used clothes in case you need them due to the recent flooding in the neighborhood.
- From the week of January 16th to the 20th, 2023, we will be prepared to offer other things such as household items or anything else you need. We will also be happy to help you find or connect you with other services.
- For any of these resources, we can offer delivery directly to your home, if requested.
- Every week we send text messages with resources that may be of interest to you, let us know if you would like us to add your number to our text message system.

Please feel free to contact us in the best way you prefer, by calling or texting 206-731-9937 or by emailing: [monica@cultivatesouthpark.org](mailto:monica@cultivatesouthpark.org)
