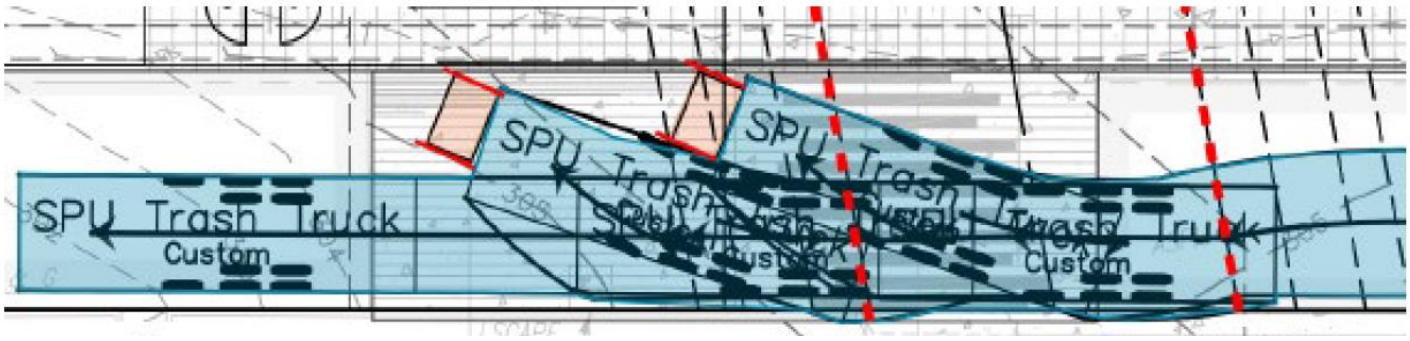
SPU Dumpster Staging Requirements

Compacted 2-3yd detached dumpsters at an angle in ROW



Note: The angle at which dumpsters are set out for collection depends upon the allowable curb restriction, container dimensions, and other site-specific conditions. Trucks must be able to directly access and lift each container 24' OH and place the dumpster back down without blocking access to another dumpster.

Note: See dumpster dimensions here.

Dumpster Dimension Chart			
Size	**Length**	**Depth**	**Height**
2yd	78"	44"	48"
3yd	80"	43"	Rear: 57" Front: 48"
