

## **SPECIAL EVENT PERMIT APPLICATION**

### **INTRODUCTION & FORM INSTRUCTIONS**

Welcome from the Seattle Special Events Office!

The Special Events Office looks forward to working with you and supporting your event.

Special events such as fairs, festivals, parades, sporting activities, and others, bring people together from different backgrounds and different neighborhoods throughout the city. Special events energize communities by creating opportunities to interact, celebrate, and enrich people's lives, promote inclusiveness, and stretch imaginations, as well as playing a role in contributing to economic development.

The City of Seattle plays a role in special events by helping event organizers bring people together safely, to protect public health, and to reduce adverse impacts such as noise, congestion, and traffic impacts while guaranteeing the public's rights to free speech and public assembly.

### **SEATTLE SPECIAL EVENTS COMMITTEE**

To coordinate planning for special events, the City has established the Special Event Permit process, overseen by the Special Events Committee. The committee is made up of multiple City departments and partnering government agencies, including Seattle Police Department, Department of Transportation, Parks and Recreation, Seattle Fire Department, Office of the Mayor, City Budget Office, Office of Economic Development, Finance and Administrative Services, Seattle Center, Seattle Public Utilities, Department of Construction and Inspections, Department of Neighborhoods, King County Metro, Seattle-King County Health Department, and Washington State Liquor and Cannabis Board. The Special Events Committee's purpose is to identify and coordinate governmental services for events and to determine the appropriate time, manner, and place for proposed events.

### **NEIGHBORHOOD AND COMMUNITY NOTIFICATION REQUIREMENTS**

Neighborhood communication for your event is required to prevent issues, minimize impacts, and ensure affected neighbors and businesses are aware of events and can provide input. Clear and broad advance organizer communication is required, and your good work will ensure success for the event and for the neighborhood. If the required notification is not performed, your Special Event Permit may be revoked or canceled. The Seattle Special Events Office and Seattle Department of Neighborhoods are prepared to assist you throughout the notification planning and coordination process.

## 18. PERMIT FEES

Special Event Permit Fees are assessed by a fee-for-use structure with three categories:

- Application Fee (\$88)
- Administrative Fee (\$242 minimum)
- Police Department Fee (if applicable)

To assist with event organizer advance cost planning, the Special Events Office has created a Special Events Permit Fee Estimator that can be used for all community, parade, commercial, and run/walk/ride events. The Estimator is used in tandem with the Seattle Arterial Classifications Planning Map. The Estimator, Instructions, and Map are available at <http://www.seattle.gov/special-events-office/resources-and-links> and in Handbook.

Special Events Permit Fees do not change or eliminate fees charged by Parks & Recreation, Department of Planning & Development, Department of Transportation, Seattle Center, King County Metro, King County Health, or other agencies with permit fees or cost recovery charges. See Handbook for more information.

### Application Fee

An **\$88 application fee** is required for all Special Event Permit applications. Your application is not complete until this fee is received. *Application fee is waived for constitutionally protected events.*

## 19. CONSTITUTIONALLY PROTECTED EVENTS

No Special Event fees shall be imposed when prohibited by the First or Fourteenth Amendments to the US Constitution or Articles I, sections 3, 4, 5, or 11 of the Washington State Constitution. Political or religious activity intended primarily for the communication or expression of ideas shall be presumed to a constitutionally protected event.

Other factors may be considered when evaluating whether an event is exempt from Special Event Permit fees as defined in City of Seattle Ordinance No.124860. Fee exemptions do not apply to other necessary permits.

In order to accommodate other concurrent events, the rights of abutting owners, and the needs of the public to use streets or parks, the conditions may include, but are not limited to, reasonable adjustments in the date, time, route, or location of the proposed event; accommodations of pedestrian or vehicular traffic using the street; and limitations on the duration of the event.

For more information on Constitutionally Protected Events please see Handbook.
