## *Facilitator Bio*

Priya D. Saxena (they / them) is a Tacoma-based anti-racism and justice consultant. They founded Equitable Future in 2019 (in the middle of a pandemic!) to help organizations turn their racial equity goals into action. Since then, they've worked with City of Seattle, City of Redmond, City of Kent, and organizations like Common Power, Seattle CityClub, and Philanthropy Northwest. Before founding Equitable Future, they worked at the City of Seattle Office of Sustainability and Environment where they led data and evaluation for the Fresh Bucks program! Priya specializes in facilitation, organizational development, analysis and evaluation, and culture change. When they aren't working towards a more equitable future you can find them lounging with their cats, making non-alcoholic cocktails, or hiking through the woods.
