

City of Seattle Technology Access and Adoption Study

Phase II Focus Group Participant Screener

Screener Context

Thank you for your interest in the Seattle Tech Access and Adoption Study! It's an important study that happens every four or five years in Seattle. It will help direct funds to improve internet access and programs in the city.

We need to ask these questions to make sure you are included in the correct focus group and ensure you are paid your \$50 in a timely manner after the group. We appreciate your time. If you have any questions or concerns, you can contact: research@inclusivedatasolutions.com
