UFC Draft letter to Bruce Stotler

Mr. Bruce Stotler
5104 SW Orleans St
Seattle, WA 98116

Dear Bruce,

Thank you Bruce! We want to commend you for your decision to sell your property to the city of Seattle to be able to eventually see it added to Schmitz Park. It is an inspiring decision.

The Seattle Urban Forestry Commission is committed to protecting and increasing Seattle's urban forest. Places like Schmitz Park and its collection of old growth trees and natural areas are treasures in our city. Expanding parkland as our city undergoes increased growth is becoming more difficult yet the need is also increasing as more people move to Seattle

Your vision and decision to sell your property to the city at a greatly reduced price means it will be added to Schmitz Park. That is a truly wonderful and generous act on your part. It is something that future generations of people living in Seattle will benefit from and enjoy. We thank you.

Sincerely,
