At the top, there are social media login buttons for Facebook, Twitter, and Google. Below these is an 'OR' separator, followed by an 'Email' input field, a 'Password' input field with a toggle for visibility, and a 'LOG IN' button. A 'Forgot your password?' link is located below the password field. At the bottom of the form, there is a link that says 'Or Sign in with NDC Employees and Contractors'. In the top right corner of the browser window, there is a 'REGISTER' button highlighted in yellow.

4. Enter your first and last name, email, and a new password. After creating your password, click the I'm Not a Robot check box.
5. Then, click Create Account (green box) at the bottom of the screen.

At the top, there are social media registration buttons for Facebook, Twitter, and Google. Below these is an 'OR' separator, followed by 'First name' and 'Last name' input fields. The 'Email' field contains 'jenn.charoniz@seattle.gov'. Below the email field are 'Password' and 'Confirm password' input fields, both with visibility toggles. A 'By registering for an account, you agree to our terms of service *#* privacy policy' link is located below the password fields. At the bottom of the form, there is a 'I'm not a robot' checkbox with a green checkmark and a 'CAPTCHA' image. A 'CREATE ACCOUNT' button is highlighted in yellow at the bottom of the form.

6. Click on 'Application' to get started.

Tips:

- Make sure to click 'Save & Continue Editing' at the bottom of the page often to save your work.

- If the application won't let you move to the next page, something is missing. Look for red text which will show where the missing information needs to be added.
- Use the green Next button at the bottom of the page to move from page to page.

COMMUNITY BENEFIT

Business owners must demonstrate a measurable community benefit to receive the public funds associated with this program. However, it is the hope of this program that the business(es) *and* the project will benefit the community and the surrounding neighborhood.

It is okay if you have not thought about how your project will provide community benefits yet. The following questions can help guide you or provide you with an opportunity to share your findings.

1. **Have you talked to community members or businesses to understand their needs or the community's preferences for this commercial space?**

- a. Yes
- b. No

2. (If *yes* to 1,) **Describe the conversations you completed and your findings.**

3. (If *no* to 1,) **Please describe the strategy you will use to engage the community to understand its needs and priorities for this commercial space. Include an estimated timeline for when you will implement this strategy.**

[Text Box]

4. **How will the project benefit its community and/or surrounding neighborhood? Please describe how the overall project will meet community needs or priorities, and if possible, how business tenants could provide community benefits. If selected, we will work with you to define and measure benefits.**
