

## Using Petriage – First Steps – FOR INTERNAL USE ONLY

Go to [www.petriage.com](http://www.petriage.com) and click on the green button “Sign up for your free Petriage account”

The screenshot shows the Petriage website homepage. At the top, a red navigation bar contains the text "Transformative Telemedicine™ Petriage Awarded Patent for Online Pet Symptom Checker" on the left, and "SCHEDULE A DEMO" and "LOGIN" on the right. Below the navigation bar is the Petriage logo, which consists of a red square with a white cross followed by the word "petriage" in lowercase. To the right of the logo are four navigation links: "FOR VETS", "FOR PET PARENTS", "ABOUT", and "NEWS". The main content area features a large, dark background image of a woman and a young girl looking at a smartphone. Overlaid on this image is the text "Always Here for You and Your Pet" in white. Below this text is a prominent green button with the text "SIGN UP FOR YOUR FREE PETRIAGE ACCOUNT". A red arrow points from the left towards this button. At the bottom of the main content area are two black buttons: "Download on the App Store" with the Apple logo and "ANDROID APP ON Google play" with the Google Play logo.

Enter your information on the “Sign Up” page. Click “Continue”.

The screenshot shows the Petriage website's sign-up page. The page has a dark header with the Petriage logo on the left and a help icon on the right. The background is a faded image of a dog and a cat. The sign-up form is centered and contains the following fields and options:

- Sign Up** (Section Header)

Your dashboard should look like the screen below. Notice the Seattle Animal Shelter icon in the top left corner – that indicates you are registered with SAS. To begin a Petriage Analysis (**Analysis is the first step to an e-consult**), click on the **“Begin Petriage Analysis”**.

The screenshot shows the Petriage dashboard interface. At the top left is the Petriage logo. At the top right, it says "Hello, Hailey!" with notification, help, and settings icons. The dashboard is divided into several sections:

- Seattle Animal Shelter:** Includes the logo, website URL ([www.seattle.gov/animalshelter/](http://www.seattle.gov/animalshelter/)), address (2061 15th Ave W, Seattle, WA 98119), email ([sasvet@seattle.gov](mailto:sasvet@seattle.gov)), and a note from the clinic: "Please start a new analysis for all medical & behavioral concerns. You will be directed to an ER hospital if situation is an emergency and we don't have medical team available." A red arrow points from this note to the "BEGIN PETRIAGE ANALYSIS" button.
- Worried about your pet?:** A card with a key icon, text: "Search for your pet's issue and get instant guidance, 24/7. Petriage partner clinics even offer online vet chat!". Below is a gold button labeled "BEGIN PETRIAGE ANALYSIS".
- Visiting a clinic? Check-in here.:** A card with a car icon, text: "Seattle Animal Shelter is not currently offering Express Check-In services, but if you are visiting another clinic you can check in here.". Below is a dark grey button labeled "BEGIN EXPRESS CHECK-IN".
- No Petriage Analyses have been created yet.:** A central white card with text: "If you're worried about your pet, begin Petriage Analysis now. We'll ask you a few questions about your pet and help you decide what to do next." Below is a green button labeled "How does Petriage Analysis work? Watch this short video!".
- My Pets:** A section for a pet named "Pea", 3 years old, with a "MANAGE PET" button and a "STANDARD" status indicator. Below is an "ADD NEW PET" button.
- Help Petriage Improve:** A section with text: "Your input is valuable to us. Take the survey now and make Petriage better for everyone." Below is a green button labeled "TAKE THE SURVEY NOW".

At the bottom, there is a footer with copyright information: ©2023 Petriage. Patent: 16/752,415. Links for Get Help, Terms & Conditions, Privacy Policy, About Petriage, iOS App, and Android App.

On the “About Petriage Analysis” screen, click “Continue”. Follow the prompts and enter your pet’s weight.

Enter your concerns and follow the prompts for further information. On the “confirm selections” screen, click “**Confirm**”. Your Petriage analysis is now confirmed!

Click on the "Request e-Consult" button in the middle of the screen.

The screenshot displays the Petriage app interface. At the top left is the Petriage logo, and at the top right is the user greeting "Hello, Hailey!" with notification and settings icons. The main content area features a pet analysis for "Pea".

Click "Start Chatting" to begin a conversation with medical staff.

The screenshot displays the Petriage eConsult interface. On the left, a sidebar contains the Petriage logo, the eCONSULT title, and the symptom 'Diarrhea'. Below this is a 'BACK TO DASHBOARD' button and a patient profile for 'Pea', a 3-year-old American Pit Bull Terrier. The profile includes details like 'Standard', 'Female (Spayed)', and '3 years old / 60.0 lbs'. It also lists the monitoring doctor as Dr. Hailey Watlington and the client as Hailey Watlington. The eConsult status is 'Active', and the analysis is 'Urgent'. A 'VIEW SYMPTOMS' button is at the bottom of the sidebar.

The main content area features a teal 'eConsult Ready' box. It contains the text: 'If other attendees are not currently online, they will be sent notifications of your comments.' Below this text are two buttons for attendees: 'Dr. Hailey Watlington (offline)' and 'Hailey Watlington (online)'. At the bottom of the teal box is a red 'START CHATTING' button, which is pointed to by a red arrow.
