This form can be filed online at www.filelocal-wa.gov. Account registration and electronic payment are required to file online.

Report by Mail

Make check payable to **City of Seattle**. Payments must be sent with the tax return when tax is due. Forms received without payment will not be considered "received" if taxes are owed. Late penalties and interest shall apply if either the form or check are postmarked after the due date.

Late Penalties

A form with any tax due must be received by the due date to avoid late penalty. If received after the due date penalty shall apply as follows:

Nine percent (9%) of the tax due if postmarked after the due date; or

Nineteen percent (19%) of the tax due if postmarked after the last day of the month following the due date; or

Twenty-nine percent (29%) of the tax due if postmarked after the last day of the second month following the due date.

If there is no tax due, no late fee will be charged. When tax is due, the minimum penalty will be \$5.00. Interest will be calculated from the date tax is due until the date paid. If the total due is not paid in full, the City will send a notice of underpayment for the additional balance owed.
