To The City Council;

I am applying to join the Council because this provides the opportunity to resolve the many concerns I have had about the health, prosperity, and good name of Seattle.

In cooperation with fellow members of City Council, it is my wish to serve the new Mayor, Tim Burgess, with the best possible effort regarding health of Seattle citizens, any threat from an international power, low-income housing (example: allowing ADU dwellings to rent out both sides), transportation, continuing shortages of policemen, firemen, and therapists. I wish to make a difference with all of the issues facing Seattle.

Thanking you for your consideration,

Lewis A. Jones

## Mayor

Lewis A. Jones

To be Mayor, I propose to bring back the Gold Old Days, the "Happy Days"

### Education:

B.A. Sociology, University of Washington, 2000

B.A. Human Behavior, University of Washington, 2000

Minors in Far East with Russian Studies

Memberships in UW Alumni Association and The Baptist Church

### Political Experience:

Senior Class President, Queen Anne High School, 1953

Director, Geneva Conventions of 1949 Association, formed to stop war crimes preceding the ending of the Vietnam War.

Providing an effective counter-ideology to the Soviet Communist ideology.

In support of the above and also my family, I have done painting, tree work, and lawn and garden work with my small business, Happiness Enterprises. Prior to this, I was a commercial fisherman, logging watch and an MSTs mess-man on a voyage to Japan and South Korea.

I was raised in Seattle. My parents were Ray Jones, an ex-Marine who was Fire Chief at Fort Lawton, and Evelyn Hones, an excellent pianist-musician who performed at many of Seattle's foremost places and had her own all-girl band. I graduated from Queen Anne High School in 1953, where I played football and pole vaulted. I hike, camp, climb, and ski. (I can't get enough of this)

I would accept the number of millions of dollars for Seattle from President Trump and support all Federal laws as our duty. Seattle will not be a sanctuary city for immigrants who commit crimes while here. Those who come to America to better themselves and contribute ought to receive special grace, but they must support our laws. Those immigrants who come to exploit American are hurting too many people, and these must have their status reviewed. I support VOICE as a way to report crimes like marriage or relationship fraud by immigrants trying for citizenship or sponsorship at the financial and emotional expense of trusting Americans.

With respect to the fact that it was Presidents Yeltsen and Putin who threw the "Red flag" out of Russia, replacing it with the red, white and blue Federation of Russian states flag, which could be considered an overture to the West, and the moderation the President Putin has shown regarding Obama, and that the insurgency in Ukraine was not caused by President Putin but by a remnant of the old Soviet Union, I will include Vladivostok in a sister-city trade route. This would be from all of America to all of Russia, through Seattle.
