## **City Non Disclosure Request**

If you believe any statements or items you submit to the City as part of this bid/response are exempt from disclosure under the Washington Public Records Act, RCW Chapter 42.56, you must identify and list them below and provide the City with a copy of your bid/response with those portions redacted. Should the City receive a public records request for your bid/response, the City will first release the redacted version of the proposal to the requester. Requesters may accept the redacted proposal or decide to challenge all or some of the exemptions applied by the vendor. If the requestor challenges the exemptions, the City provides you with notice and up to ten days to seek an injunction to prevent the release of the challenged portion of the record. This notice is a courtesy and not a legal obligation. Only records properly listed on this form and redacted will be protected and withheld for notice. All other records will be considered fully disclosable upon request.

The City will <u>not</u> withhold information or provide notice simply because your document is marked with a document header or footer, page stamp, or a generic statement that a document is non-disclosable, exempt, confidential, proprietary, or protected. You must very clearly and specifically identify each statement or item and the corresponding RCW exemption that applies. You may not identify the entire page, unless the entire page is within the exemption scope.

I do not request any information be withheld.
I request the following specific information be withheld. I understand that all other information will be considered public information. For each statement or item you intend to withhold, you must fill out every box below. You should not require an entire page withheld; only request the specific portion subject to the exemption.

For this request to be valid, you must specify the RCW provision or other State or Federal law that designates the documents as exempt from disclosure. Please refer to <a href="Chapter 42.56">Chapter 42.56</a> of the Revised Code of Washington for the exemptions.

## **Equal Benefits Instructions**

Seattle Municipal Code Chapter 20.45 (SMC 20.45) requires companies executing a City contract to provide health and benefits that are the same or equivalent to domestic partners of employees as to spouses of employees, and of their dependents and family members.

- 1. Carefully fill out the Equal Benefits Declaration. It is essential to your standing in the evaluation process, so it is important to understand and complete the declaration properly.
- 2. The Buyer or Coordinator for the solicitation can answer any questions about this requirement or you may call the general office at 206-684-0444. Call <u>before</u> you submit your bid to ensure you've filled out the form correctly.
- 3. "Domestic Partner" is any person who is party to a same-sex or opposite-sex domestic partnership that is legally recognized in the place of jurisdiction where the union was established, including same-sex marriage, or registered as a Domestic Partner with the employer or government registry established by state or local law. If the employer does not have a registration system and does not intend to implement one, the City of Seattle has a registration system as an option: <a href="http://www.seattle.gov/leg/clerk/dpr.htm">http://www.seattle.gov/leg/clerk/dpr.htm</a>

The City will review your responses and make a final determination. If the information you supply is conflicting or not clearly supported by the documentation that the City receives, the City may reject your entire submittal (bid or proposal) or may seek clarification to ensure the City properly classifies your compliance.

Companies that select "Non-Compliant" will be rejected, unless there is no competitor that is compliant, responsive and responsible. The City may also find a Bidder "Non-Compliant" upon inspection of their program. Be prepared with documentation to support your declaration. All contracts awarded by the City may be audited for equal benefits compliance. Non-compliance may result in the rejection of a bid or proposal, or termination of the contract.
