BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The Council expresses the following intent as to implementation of Seattle Municipal Code Chapter 23.58C:

A. Initial implementation

1. The Council intends that the initial implementation phase of Seattle Municipal Code Chapter 23.58C will consist of:

a. An increase in residential development capacity for all zones in the Downtown and South Lake Union Urban Centers except the Downtown Harborfront 1 (DH-1), International District Mixed 75-85 (IDM 75-85), Pike Market Mixed (PMM), Pioneer Square Mixed (PSM), Seattle Mixed 85/65-160 (SM 85/65-160), Seattle Mixed 85-240 (SM 85-240), and Commercial 2-40 (C2-40) zones, to be enacted no later than September 2016;

b. Zone-wide increases in residential development capacity in all Neighborhood Commercial (NC), Commercial (C), Seattle Mixed (SM), Lowrise (LR), Midrise (MR), and Highrise (HR) zones, and zoning changes to increase the residential development capacity of lands zoned single-family within designated Urban Villages and Urban Centers, outside the Downtown and South Lake Union Urban Centers, to be enacted no later than September 2017; and

c. Increases in residential development capacity through rezones of any portions of the University District that are upzoned in accordance with the University District urban design framework process.

2. Setting initial payment and performance amounts

a. Payment and performance amounts are not included in Chapter 23.58C in this Council Bill _____. Payment and performance amounts for particular zones will be

1 added to Tables A and B for 23.58C.040 and Tables A and B for 23.58C.050 at the time
2 development capacity is increased in those zones during the initial implementation phase
3 according to subsection A.1 of this section.

4 b. The Council recognizes that, after Chapter 23.58C is amended to
5 include payment and performance amounts for particular zones, additional amendments to the
6 payment and performance amounts provided in Chapter 23.58C for those zones may be needed
7 during the initial implementation phase according to subsection A.1 of this section to further the
8 target production level of no less than 6,000 affordable units for households with incomes no
9 higher than 60 percent of median income over a ten-year period described in the July 13, 2015,
10 Statement of Intent for Basic Framework for Mandatory Inclusionary Housing and Commercial
11 Linkage Fee. Such amendments could include changes to the payment and performance amounts
12 in Tables A and B for 23.58C.040 and Tables A and B for 23.58C.050, and adding amounts for
13 additional zones or portions of zones in connection with rezones of specific subareas such as
14 portions of the University District. The Council intends that amendments during the initial
15 implementation phase be preceded by a robust stakeholder engagement process including
16 representatives of the for-profit and non-profit development sectors who participated in the July
17 13, 2015, Statement of Intent for Basic Framework for Mandatory Inclusionary Housing and
18 Commercial Linkage Fee.

19 B. Amendment of payment and performance amounts

20 1. Ongoing review. The Council directs that, during the first six months of 2018
21 and annually after July 1, 2018, the Director of the Seattle Department of Construction and
22 Inspections (SDCI) and Director of Housing shall report on the performance of the mandatory
23 affordable housing program provided in Chapter 23.58C, including the amount of payments

1 collected under the payment option, the number of units produced with such payments, and the
2 number of units constructed through the performance option. Units produced under the
3 mandatory housing affordability program provided in Chapter 23.58C shall be measured as net
4 new units. Existing rent- and income-restricted affordable units demolished for development
5 subject to the program are subtracted from the target production.

6 2. Post-initial implementation phase review. Except as provided according to
7 subsection B.3 of this section, the Council intends that, after the completion of the initial
8 implementation phase according to subsection A.1 of this section, amendments to the payment
9 and performance amounts in Tables A and B for 23.58C.040 and Tables A and B for 23.58C.050
10 shall be consistent with the following provisions:

11 a. Amendments may be considered if:

12 1. After five years from the effective date of the ordinance
13 introduced as Council Bill _____, there is a failure to meet expectations for program
14 performance;

15 2. There are significant positive or negative changes in real estate
16 development market conditions;

17 3. There is a need to adjust the relationship between the amounts
18 for the payment option according to Section 23.58C.040 and the performance option according
19 to Section 23.58C.050; or

20 4. None of the preceding criteria is met and ten years have elapsed
21 since the completion of the initial implementation phase according to subsection A.1 of this
22 section.

1 b. If amendments are considered according to subsection B.2.a of this
2 section, the Mayor and Council shall appoint a Technical Review Committee whose membership
3 includes appropriate stakeholder representation, including representatives of the for-profit and
4 non-profit development sectors and members of community-based groups, and shall provide the
5 Committee with clear objectives to be accomplished by a revision of the payment and
6 performance amounts in Chapter 23.58C.

7 c. If appointed, the Technical Review Committee shall recommend
8 amendments to the payment and performance amounts in Tables A and B for 23.58C.040 and
9 Tables A and B for 23.58C.050. The Mayor shall consider the Technical Review Committee's
10 recommendations and shall transmit them to the Council along with any recommendation by the
11 Mayor for amendments.

12 3. Amendments concurrent with increased capacity. In conjunction with any
13 increase in residential development capacity other than those increases in development capacity
14 identified according to subsection A.1 of this section, the Council will apply Chapter 23.58C to
15 the zones in which capacity is increased and may amend Tables A and B for 23.58C.040 and
16 Tables A and B for 23.58C.050 for those zones in which capacity is increased.

17 C. Process for modifications of development standards

18 1. The Council intends that, at the time reference to Chapter 23.58C is made in the
19 provisions of a zone, Land Use Code changes will be adopted providing a process by which the
20 Director of SDCI would be authorized to modify certain dimensional development standards to
21 ensure that, in most cases, utilization of the increased development capacity is not prohibited by
22 development standards. The provisions for such modification of development standards are not
23 included in Chapter 23.58C in this Council Bill _____, but placeholders for references to

1 such provisions are included in this Council Bill _____ by using the language “[CODE
2 SECTION RESERVED].”

3 2. To enable development of such Land Use Code changes, the Director of SDCI
4 shall report on which development standards, if any, might be appropriate for modification in
5 particular zones and the extent to which modifications might be allowed from particular
6 standards.

7 3. If there are cases in which a portion of the increased development capacity
8 cannot be used because of a development standard from which a modification is not available or
9 is not granted, and not because of decisions of the applicant, the Council intends that any
10 development standard modification process will provide for a reduction of the payment and/or
11 performance amounts. The expectation is that the number of cases where development standards
12 would preclude use of some of the additional capacity, such that payment and/or performance
13 amounts would be reduced, would be limited. Specific provisions for such modification of
14 payment and/or performance amounts are not included in Chapter 23.58C in this Council Bill
15 _____, but a placeholder for such provisions is included in this Council Bill _____
16 as subsection 23.58C.035.B.

17 4. The intent is that the need for the provisions described in this subsection C for
18 modification of development standards and payment and/or performance amounts will be
19 reevaluated after five years from the effective date of the ordinance introduced as Council Bill
20 _____ and that these provisions ultimately will be phased out.

Section 2. A new Chapter 23.58C is added to Division 2, Authorized Uses and Development Standards, within Subtitle III, Land Use Regulations, of Title 23 of the Seattle Municipal Code as follows:

Chapter 23.58C Mandatory Housing Affordability for Residential Development

23.58C.005 Intent for implementation

Section 1 of the ordinance introduced as Council Bill _____ provides a statement of intent for implementation of this Chapter 23.58C that generally addresses the Council’s intent as to an initial implementation phase of this Chapter 23.58C, the setting and changing of payment and performance amounts during that initial implementation phase, review of program performance, the amendment of payment and performance amounts after the initial implementation phase, and the establishment of additional processes for modifying dimensional development standards and/or payment and performance amounts.

3. Alterations within an existing structure that result in an increase in the total number of units; or
4. Change of use that results in an increase in the total number of units.

C. Exemptions. Development is exempt from the requirements of this Chapter 23.58C if it receives public funding and/or an allocation of federal low-income housing tax credits, and is subject to a regulatory agreement, covenant or other legal instrument recorded on the property title and enforceable by The City of Seattle, Washington State Housing Finance Commission, State of Washington, King County, U.S. Department of Housing and Urban Development, or other similar entity as approved by the Director of Housing, which restricts at least 40 percent of the units to occupancy by households earning no greater than 60 percent of median income, and controls the rents that may be charged, for a minimum period of 40 years.

D. Relationship to incentive zoning. Where the provisions of the zone refer to this Chapter 23.58C and where bonus residential floor area or extra residential floor area may be achieved according to the provisions of the zone and/or Chapter 23.58A, the following provisions apply:

1. All affordable housing requirements for achieving bonus residential floor area or extra residential floor area according to the provisions of the zone and/or Chapter 23.58A shall be satisfied solely by compliance with this Chapter 23.58C.

A. General

1. An applicant may request a modification, according to this Section 23.58C.035, of the amount of payment required according to subsection 23.58C.040.A or the amount of performance required according to subsection 23.58C.050.A.

2. An applicant requesting a modification according to subsection 23.58C.035.B shall have requested any available relief according to [CODE SECTION RESERVED], and the Director will evaluate relief according to [CODE SECTION RESERVED] before evaluating a modification according to subsection 23.58C.035.B. B. [Reserved]

C. Modification based on severe economic impact

1. The purpose of this subsection 23.58C.035.C is to allow the Director to modify the amount of payment required according to subsection 23.58C.040.A or the amount of performance required according to subsection 23.58C.050.A if the applicant can demonstrate facts supporting a determination of severe economic impact at such a level that a property owner's constitutional rights may be at risk.

2. For purposes of this subsection 23.58C.035.C, the Director is not making a determination of the constitutional rights of a property owner, but instead is reviewing the credibility and strength of facts demonstrating severe economic impact.

3. The Director may, as a special exception according to Chapter 23.76, waive or reduce the amount of payment required according to subsection 23.58C.040.A or the number of units required to meet the requirements according to subsection 23.58C.050.C if the applicant shows that application of the requirements of this Chapter 23.58C would:

a. Create severe economic impact by depriving a property owner of all economically beneficial use of the property; or

b. Create severe economic impact, not reaching deprivation of all economically beneficial use, but reaching the level of an undue burden that should not be borne by the property owner.

4. In determining whether there is a severe economic impact reaching the level of an undue burden that should not be borne by the property owner, the Director may weigh the following nonexclusive factors:

a. The severity of the economic impact caused by the application of the requirements of this Chapter 23.58C;

1 b. The degree to which the requirements of this Chapter 23.58C were or
2 could have been anticipated;

3 c. The extent to which alternative uses of the property or configurations of
4 the proposed development would alleviate the need for the requested waiver or reduction;

5 d. The extent to which any economic impact was due to decisions by the
6 applicant and/or property owner; and

7 e. Other factors relevant to whether the burden should be borne by the
8 property owner.

9 5. The waiver or reduction may be approved only to the extent necessary to grant
10 relief from the severe economic impact.

11 6. A request to the Director for a modification according to this subsection
12 23.58C.035.C shall include, at a minimum, all of the following:

13 a. A description of the requested waiver or reduction, including the
14 proposed payment or performance amount;

15 b. Documentation showing that any relief available according to [CODE
16 SECTION RESERVED] or subsection 23.58C.035.B would not eliminate the need for the
17 requested waiver or reduction;

18 c. The identity of the property owner and the date of the owner's
19 acquisition of the property;

20 d. Documentation showing the use of the property at the time of the
21 request or, if the property is vacant at that time, the use of the property prior to commencement
22 of vacancy;

1 e. Documentation explaining and supporting the claim of economic
2 impact; and

3 f. Documentation showing that a different development configuration that
4 satisfied the requirements of this Chapter 23.58C would not alleviate the need for the requested
5 waiver or reduction.

6 7. The applicant shall provide any additional information as may be required by
7 the Director to make a determination on the request. The applicant shall have the burden of
8 proving by a preponderance of the evidence that a waiver or reduction authorized according to
9 this subsection 23.58C.035.C is justified.

10 8. None of the following, standing alone and without consideration of the full
11 range of relevant factors including those according to subsection 23.58C.035.C.4, shall be a
12 sufficient basis for the Director to grant a waiver or reduction authorized according to this
13 subsection 23.58C.035.C:

14 a. The fact of a decrease in property value;

15 b. The fact that a property owner is unable to utilize the full amount of any
16 increase in residential development capacity enacted in connection with implementation of this
17 Chapter 23.58C in the zone in which the property is located; or

18 c. The fact that any such increase in residential development capacity,
19 combined with the requirements of this Chapter 23.58C, did not leave the property owner in a
20 better financial position than would have been the case with no increase in residential
21 development capacity and no application of the requirements of this Chapter 23.58C.

22 9. In any appeal to the Hearing Examiner, the parties will have an additional
23 opportunity to make a record on the factual issues consistent with due process.

23.58C.040 Affordable housing – Payment option

A. Payment amount

1. An applicant complying with this Chapter 23.58C through the payment option shall provide a cash contribution to the City, calculated by multiplying the payment amount per square foot according to Table A or Table B for 23.58C.040 and Map A for 23.58C.050, as applicable, by the total gross floor area in the development, excluding the floor area of parking located in stories or portions of stories that are underground, as follows:

a. In the case of construction of a new structure, the gross floor area in residential use and the gross floor area of live-work units;

b. In the case of construction of an addition to an existing structure that results in an increase in the total number of units within the structure, the gross floor area in residential use and the gross floor area of live-work units in the addition;

c. In the case of alterations within an existing structure that result in an increase in the total number of units within the structure, the gross floor area calculated by dividing the total gross floor area in residential use and gross floor area of live-work units by the total number of units in the proposed development, and multiplying that quotient by the net increase in units in the structure;

d. In the case of change of use that results in an increase in the total number of units, the gross floor area that changed to residential use or live-work units; or

e. Any combination of the above.

11 A. Performance amount

12 1. An applicant complying with this Chapter 23.58C through the performance
13 option shall provide, as part of the units to be developed in each structure, a number of units that
14 meet the requirements according to subsection 23.58C.050.C calculated by multiplying the
15 percentage set aside according to Table A or Table B for 23.58C.050 and Map A for 23.58C.050,
16 as applicable, by the total number of units to be developed in each structure.

17 2. If the number of units that meet the requirements according to subsection
18 23.58C.050.C calculated according to subsection 23.58C.050.A.1 equals less than two, the
19 applicant shall:

20 a. Round up to two units; or
21 b. Provide one dwelling unit that meets the requirements according to
22 subsection 23.58C.050.C that is three bedrooms or larger, as determined by the Director of
23 Housing.

1 3. If the number of units that meet the requirements according to subsection
2 23.58C.050.C calculated according to subsection 23.58C.050.A.1 equals two or more and
3 includes a fraction of a unit, the applicant shall:

4 a. Round up to the nearest whole unit; or
5 b. Round down to the nearest whole unit and pay a cash contribution for
6 the fraction of a unit not otherwise provided, calculated by multiplying the amount per square
7 foot according to Table A or Table B for 23.58C.040 and Map A for 23.58C.050, as applicable,
8 by the total gross floor area to be developed as measured according to subsection
9 23.58C.040.A.1, multiplying that product by the fraction of a unit not provided, and dividing the
10 resulting number by the total number of units required to be provided based on the calculation
11 according to subsection 23.58C.050.A.1. Use of cash contributions according to this subsection
12 23.58C.050.A.3.b shall be governed according to subsection 23.58C.040.B.

13 4. When the applicant elects to comply with this Chapter 23.58C through the
14 performance option for a development that contains multiple structures and the calculation
15 according to subsection 23.58C.050.A.1 results in fractions of units in more than one structure,
16 the Director may, as a Type I decision in consultation with the Director of Housing, allow such
17 fractions of units to be combined, provided:

18 a. If the sum of the combined fractions of units calculated according to this
19 subsection 23.58C.050.A.4 equals fewer than two, the applicant shall:

20 1) Round up to two units; or
21 2) Provide one dwelling unit that meets the requirements according
22 to subsection 23.58C.050.C that is three bedrooms or larger, as determined by the Director of
23 Housing;

b. If the sum of the combined fractions of units calculated according to this subsection 23.58C.050.A.4 equals two or more and includes a fraction of a unit, the applicant shall:

1) Round up to the nearest whole unit; or

2) Round down to the nearest whole unit and pay a cash

contribution for the fraction of a unit not otherwise provided, calculated according to subsection 23.58C.050.A.3.b; and

c. The construction of the structure(s) containing the units that meet the requirements according to subsection 23.58C.050.C shall be completed at the same time or at an earlier time than completion of construction of other structures in the development containing units.

1 B. Duration. The obligation, as to a structure that includes units to whose development
2 this Chapter 23.58C applies according to subsection 23.58C.025.B, to provide units that meet the
3 requirements according to subsection 23.58C.050.C in the amount required according to
4 subsection 23.58C.050.A, subject to any applicable modifications, shall last:

5 1. If rental units are provided to comply with this Chapter 23.58C:

6 a. For a period of 50 years from the date of certificate of occupancy or, if a
7 certificate of occupancy is not required, from the date of the final building permit inspection, for
8 the development to which this Chapter 23.58C applies according to subsection 23.58C.025.B, or

9 b. Until such earlier time when:

10 1) The structure is demolished, or its use is changed, so as to
11 eliminate all of the units to whose development this Chapter 23.58C applies according to
12 subsection 23.58C.025.B in that structure, and the requirements according to subsection
13 23.58C.050.C.6.j are met; or

14 2) All of the units to whose development this Chapter 23.58C
15 applies according to subsection 23.58C.025.B in the structure are converted to ownership
16 housing, and the requirements according to subsection 23.58C.050.C.6.i are met; or

17 2. If ownership units are provided to comply with this Chapter 23.58C, for a
18 period of 50 years from the date of certificate of occupancy or, if a certificate of occupancy is not
19 required, from the date of the final building permit inspection, for the development to which this
20 Chapter 23.58C applies according to subsection 23.58C.025.B.

21 C. Performance requirements. Units provided to comply with this Chapter 23.58C
22 through the performance option shall meet the following requirements:

1 1. Distribution. Units provided through the performance option shall be generally
2 distributed throughout each structure in the development containing units.

3 2. Unit size, type, and term of lease

4 a. Units provided through the performance option shall be comparable to
5 the other units to be developed in terms of the following:

6 1) Status as a dwelling unit, live-work unit, or congregate
7 residence sleeping room;

8 2) Number of bedrooms and bathrooms;

9 3) Net unit area by square feet;

10 4) Access to amenity areas;

11 5) Functionality; and

12 6) Term of the lease.

13 b. The bedroom and bathroom sizes for units provided through the
14 performance option shall be generally comparable to the bedroom and bathroom sizes for the
15 other units to be developed.

16 3. Eligible households. Units provided through the performance option shall serve
17 only:

18 a. At initial occupancy by a household:

19 1) For a rental unit with net unit area of 400 square feet or less,
20 households with incomes no greater than 40 percent of median income;

21 2) For a rental unit with net unit area of greater than 400 square
22 feet, households with incomes no greater than 60 percent of median income;

1 3) For an ownership unit, households with incomes no greater than
2 80 percent of median income, and that meet a reasonable limit on assets. The Director of
3 Housing shall establish by rule the method to establish a reasonable limit on assets.

4 b. At the time of annual certification according to subsection
5 23.58C.050.C.6.c:

6 1) For a rental unit with net unit area of 400 square feet or less,
7 households with incomes no greater than 60 percent of median income;

8 2) For a rental unit with net unit area of greater than 400 square
9 feet, households with incomes no greater than 80 percent of median income.

10 4. Affirmative marketing. Units provided through the performance option shall be
11 affirmatively marketed to attract eligible households from all racial, ethnic, and gender groups in
12 the housing market area of the property, particularly to inform and solicit applications from
13 households who are otherwise unlikely to apply for housing in the development. Proposed
14 marketing efforts shall be submitted to the Office of Housing for review and approval. Records
15 documenting affirmative marketing efforts shall be maintained and submitted to the Office of
16 Housing upon request.

17 5. Public subsidy. If any public subsidy, including the Multifamily Housing
18 Property Tax Exemption authorized by Chapter 5.73 and chapter 84.14 RCW, is used for a
19 development containing units provided to comply with this Chapter 23.58C through the
20 performance option, and the public subsidy operates through subjecting some of the units in the
21 development to restrictions on the income levels of occupants and the rents or sale prices that
22 may be charged, the units provided to comply with this Chapter 23.58C shall be different units
23 than the units that are subject to such restrictions as a condition of the public subsidy.

6. Additional requirements for rental units provided through the performance option

a. Rent levels. Monthly rent shall not exceed 30 percent of 60 percent of median income or, in the case of rental units with net unit area of 400 square feet or less, 30 percent of 40 percent of median income. For purposes of this subsection 23.58C.050.C.6.a, “monthly rent” includes a utility allowance for heat, gas, electricity, water, sewer, and refuse collection, to the extent such items are not paid for tenants by the owner, and any recurring fees that are required as a condition of tenancy.

b. Limitation on charges. Fees charged to eligible households upon move-in or transfer within the development shall be limited to a reasonable level to be established by the Director of Housing by rule. No tenant of a rental unit may be charged fees for income verifications or reporting requirements related to this Chapter 23.58C.

c. Annual certification, third party verification

1) The owner of the rental unit shall obtain from each tenant, no less than annually, a certification of household size and annual income in a form acceptable to the City. The owner shall examine the income of each tenant household in accordance with 24 CFR 5.609, with guidance from the HUD Occupancy Handbook 4350.3, Chapter 5. The owner also shall examine the income and household size of any tenant at any time when there is evidence that the tenant’s written statement was not complete or accurate. If so requested by the City, the owner shall obtain such certifications and/or examine incomes and household sizes at any other times upon reasonable advance notice from the City. The owner shall maintain all certifications and documentation obtained according to this subsection 23.58C.050.C.6.c.1 on

1 file for at least six years after they are obtained, and shall make them available to the City for
2 inspection and copying promptly upon request.

3 2) Owners of rental units shall attempt to obtain third party
4 verification whenever possible to substantiate income at each certification, which shall include
5 contacting the individual income source(s) supplied by the household. The verification
6 documents shall be supplied directly to the independent source by the owner and returned
7 directly to the owner from the independent source. In the event that the independent source does
8 not respond to the owner's faxed, mailed, or emailed request for information, the owner may
9 pursue oral third party verification. If written or oral third party documentation is not available,
10 the owner may accept original documents (pay stubs, W-2, etc.) at the discretion of the Director
11 of Housing and shall document why third party verification was not available. At the discretion
12 of the Director of Housing, the owner may accept tenant self-certifications after the initial
13 income verification and first annual recertification.

14 d. Reporting. At such times as may be authorized by the Director of
15 Housing, but no less than annually, the owner of the rental unit shall submit to the Director of
16 Housing a written report, verified upon oath or affirmation by the owner, demonstrating
17 compliance with this Chapter 23.58C. The written report shall state, at a minimum, the
18 occupancy and vacancy of each rental unit, the monthly rent charged for the unit, and the income
19 and size of the household occupying the unit. The Director of Housing may require
20 other documentation to ensure compliance with this subsection 23.58C.050.C, including but not
21 limited to documentation of rents, copies of tenant certifications, documentation supporting
22 determinations of tenant income (including employer's verification or check stubs), and other
23 documentation necessary to track program outcomes and the demographics of households

1 served. The first annual report shall include documentation of issuance of the certificate of
2 occupancy or final building permit inspection for the rental unit. The Director of Housing is
3 authorized to assess a late fee of \$50 per day, to accrue starting 14 days from the date the Office
4 of Housing notifies the owner of the rental unit that the report is overdue, until the report is
5 submitted.

6 e. Annual fee. The owner of the rental unit shall pay the Office of Housing
7 an annual fee of \$150 per rental unit for the purposes of monitoring compliance with the
8 requirements according to this Section 23.58C.050. On March 1, 2017, and on the same day each
9 year thereafter, the annual fee shall automatically adjust in proportion to the annual change for
10 the previous calendar year (January 1 through December 31) in the Consumer Price Index, All
11 Urban Consumers, Seattle-Tacoma-Bremerton, WA, All Items (1982-1984 = 100), as determined
12 by the U.S. Department of Labor, Bureau of Labor Statistics or successor index.

13 f. Over-income households; unit substitution. If, based on any
14 certification, a previously eligible household occupying a rental unit provided through the
15 performance option is determined to be ineligible due to exceeding the income limits according
16 to subsection 23.58C.050.C.3.b, the owner of the development to which this Chapter 23.58C
17 applies shall, through the process according to subsection 23.58C.030.A.6, designate a
18 comparable substitute rental unit within the development, as approved by the Director of
19 Housing, as soon as such a unit becomes available, and upon such designation the requirements
20 according to this subsection 23.58C.050.C shall transfer to the substitute unit. Upon such
21 determination that a previously eligible household is ineligible, the owner shall promptly give the
22 ineligible household notice of such determination and notice that the requirements according to
23 this subsection 23.58C.050.C will transfer to a substitute unit when such unit becomes available.

1 Upon the transfer of the requirements, the owner shall give the ineligible household six months'
2 notice prior to any rent increase.

3 g. Maintenance, insurance. Rental units provided through the performance
4 option, and the structure in which they are located, shall be maintained by the owner in decent
5 and habitable condition, including the provision of adequate basic appliances. The owner shall
6 keep such units, and the structure in which they are located, insured by an insurance company
7 licensed to do business in the state of Washington and reasonably acceptable to the City, against
8 loss by fire and other hazards included with broad form coverage, in the amount of 100 percent
9 of the replacement value.

10 h. Casualty

11 1) If a rental unit provided through the performance option is
12 destroyed or rendered unfit for occupancy by casualty that does not affect all of the other units in
13 the development to which this Chapter 23.58C applies, the owner of the development shall,
14 through the process according to subsection 23.58C.030.A.6, designate a comparable substitute
15 rental unit within the development, as approved by the Director of Housing, as soon as such a
16 unit becomes available, which the tenant household of the unit affected by casualty shall be
17 allowed to move into, and upon such designation the requirements according to this subsection
18 23.58C.050.C shall transfer to the substitute unit.

19 2) If all of the units in the development to which this Chapter
20 23.58C applies are substantially destroyed by casualty, including by earthquake or fire, the
21 requirements according to this subsection 23.58C.050.C shall terminate.

22 i. Conversion to ownership housing. If all of the units to whose
23 development this Chapter 23.58C applies according to subsection 23.58C.025.B in a structure are

converted to ownership housing, including through a conversion to condominiums, prior to 50 years from the date of certificate of occupancy or, if a certificate of occupancy is not required, from the date of the final building permit inspection, for the development to which this Chapter 23.58C applies according to subsection 23.58C.025.B:

1) The owner of the development shall, at the time of such conversion, pay to the City a payment in lieu of continuing affordability for each rental unit provided through the performance option that is converted to ownership housing. The amount of the payment shall be the applicable amount set forth in Table C for 23.58C.050.

Table C for 23.58C.050
Payment in lieu of affordability amounts for conversion to ownership housing
[RESERVED]

2) If the units to whose development this Chapter 23.58C applies according to subsection 23.58C.025.B are in multiple structures, conversion to ownership housing of such units in an individual structure shall not be a basis for reducing the number of rental units provided through the performance option in the other structures.

3) If a rental unit provided through the performance option is converted to a condominium, the owner shall comply with the requirements according to Section 22.903.030 and Section 22.903.035.

j. Demolition or change of use

1) If the units to whose development this Chapter 23.58C applies according to subsection 23.58C.025.B are in a single structure and the structure is demolished, or its use is changed, prior to 50 years from the date of certificate of occupancy or, if a certificate of occupancy is not required, from the date of the final building permit inspection, for the development to which this Chapter 23.58C applies according to subsection 23.58C.025.B, so as

1 to eliminate all of the units to whose development this Chapter 23.58C applies according to
2 subsection 23.58C.025.B in that structure, the owner of the development shall pay to the City a
3 payment in lieu of continuing affordability for each rental unit provided through the performance
4 option that is eliminated, as follows:

5 a) The payment shall be based on the difference between
6 the monthly restricted rent according to subsection 23.58C.050.C.6.a for each rental unit
7 provided through the performance option that is eliminated and the average monthly rent of a
8 comparable unit according to subsection 23.58C.050.C.2 that is not subject to rent and income
9 restrictions and is located in the same payment and performance area as shown on Map A for
10 23.58C.050, multiplied by the typical number of months between demolition of multifamily
11 housing on a property and completion of redevelopment of a property in the zone in which the
12 eliminated rental unit is located, not to exceed 30 months. The Director shall by rule establish an
13 appropriate methodology and inputs for determining the payment amount in particular zones.

14 b) The City shall use the payment to support continued
15 housing affordability in The City of Seattle, including but not limited to providing rental
16 assistance to the tenants of rental units provided through the performance option that were
17 eliminated.

18 2) If the units to whose development this Chapter 23.58C applies
19 according to subsection 23.58C.025.B are in multiple structures and an individual structure is
20 demolished, or its use is changed, prior to 50 years from the date of certificate of occupancy or,
21 if a certificate of occupancy is not required, from the date of the final building permit inspection,
22 for the development to which this Chapter 23.58C applies according to subsection 23.58C.025.B,

so as to eliminate all of the units to whose development this Chapter 23.58C applies according to subsection 23.58C.025.B in the individual structure, the owner of the development shall:

a) Except as provided according to subsection 23.58C.050.C.6.j.2.b, pay to the City a payment in lieu of continuing affordability according to subsection 23.58C.050.C.6.j.1.a for each rental unit provided through the performance option that is eliminated; or

b) If a rental unit that is eliminated resulted from the combination of fractions of units according to subsection 23.58C.050.A.4, designate, subject to review by the Director in consultation with the Director of Housing, a comparable substitute rental unit within the other structures to replace each such unit that is eliminated or, if such designation is not possible, pay to the City a payment in lieu of continuing affordability according to subsection 23.58C.050.C.6.j.1.a.

c) Demolition or change of use of an individual structure shall not be a basis for reducing the number of rental units provided through the performance option in the other structures and any comparable substitute rental units shall be in addition to any existing rental units provided through the performance option in the other structures.

7. Additional requirements for ownership units provided through the performance option

a. Affordable sale price; down payment. The initial sales price for an ownership unit provided through the performance option shall be an amount according to which total ongoing housing costs do not exceed 35 percent of 65 percent of median income, in order to allow for equity growth for individual homeowners while maintaining affordability for future buyers. The Director of Housing shall establish by rule the method for calculating the initial sales

1 price including standard assumptions for determining upfront housing costs, including the down
2 payment, and ongoing housing costs, which shall include mortgage principal and interest
3 payments, homeowner's insurance payments, homeowner or condominium association dues and
4 assessments, and real estate taxes and other charges included in county tax billings. The Director
5 of Housing may establish a maximum down payment amount for eligible households at initial
6 sale of an ownership unit. The applicant for the development to which this Chapter 23.58C
7 applies shall be responsible for any costs incurred in the initial sale of an ownership unit
8 necessary to ensure compliance with this Chapter 23.58C, including but not limited to marketing
9 to eligible households, income verification, buyer education, and verification of buyer financing.

10 b. Affordable resale price. For an ownership unit provided through
11 the performance option, the sale price for sales subsequent to the initial sale shall be calculated to
12 allow modest growth in homeowner equity while maintaining long-term affordability for future
13 buyers. All buyers of an ownership unit subsequent to the initial sale shall be households with
14 incomes no greater than 80 percent of median income at initial occupancy. The Director of
15 Housing shall by rule:

16 1) Establish the method for calculating the resale price and may
17 establish a maximum down payment amount for eligible households at resale,

18 2) Establish specific requirements for documents ensuring
19 affordability requirements are met at resale, and

20 3) Provide for recovery of reasonable administrative costs.

21 c. Other restrictions. An eligible household purchasing an ownership unit
22 provided through the performance option, either at initial sale or resale, shall:

1) Occupy the unit as its principal residence for the duration of its ownership and shall not lease the unit, unless the Director of Housing approves a limited short-term exception, and

2) Comply with all other program rules established by the Director of Housing as necessary to maintain the long-term viability of the unit. Such rules may include, but are not limited to, refinancing approvals and debt limits; limits on credit for capital improvements at the time of resale; requirements for basic maintenance, inspections, and compliance procedures; minimum insurance requirements; obligations to provide information regarding compliance when and as requested; and fees to cover a portion of the costs of calculating the maximum sales price at resale, marketing to eligible households, and screening and selecting eligible households to purchase the unit at resale.

d. Annual fee. The owner of the ownership unit shall pay the Office of Housing an annual fee of \$600 for the purposes of monitoring compliance with the requirements according to this Section 23.58C.050. On March 1, 2017, and on the same day each year thereafter, the annual fee shall automatically adjust in proportion to the annual change for the previous calendar year (January 1 through December 31) in the Consumer Price Index, All Urban Consumers, Seattle-Tacoma-Bremerton, WA, All Items (1982-1984 = 100), as determined by the U.S. Department of Labor, Bureau of Labor Statistics or successor index.

e. Ongoing stewardship. Either prior to or subsequent to the initial sale, the Director of Housing is authorized to designate an agency or organization with sufficient capacity, as approved by the Director of Housing, to perform ongoing stewardship and management functions for ownership units provided through the performance option, including but not limited to the following:

- 1) Calculating maximum sale prices;
- 2) Marketing sales to eligible households;
- 3) Screening, educating, and selecting eligible households;
- 4) Approving buyer financing; and
- 5) Managing successive resales to eligible households.

D. Enforcement. The requirements according to this Section 23.58C.050 shall be terms of the building permit according to subsection 23.58C.030.A.5. In addition to any other remedies available to the City, the City is authorized to enforce such permit terms using the procedures of Chapter 23.90.

E. Agreement. If the applicant elects to comply with this Chapter 23.58C through the performance option, the City and the property owner of the development to which this Chapter 23.58C applies shall enter into an agreement specifying the requirements according to this Section 23.58C.050. The agreement shall be recorded on the title of the property on which that development is located. The requirements specified in the agreement shall be consistent with the final plans.

Section 3. Subsection 23.40.020.A of the Seattle Municipal Code, which section was last amended by Ordinance 124895, is amended as follows:

23.40.020 Variances

A. Variances may be sought from the provisions of Subtitle III, Divisions 2, 3, and 4 of this Title 23, except for the establishment of a use that is otherwise not permitted in the zone in which it is proposed, for a structure height in excess of that shown on the Official Land Use Map or in excess of a height limit established in Chapter 23.75, from the provisions of subsection 23.55.014.A, or from the provisions of Chapter 23.52, Chapter 23.58A, ~~((and))~~ Chapter
