### Community input on MHA Citywide Draft Proposal Fall 2016 through June 30

### Community input on MHA Draft Environmental Impact Statement (DEIS) June - July

### What happens to comments and will changes be made to the MHA zoning maps?

**COMMENTS:**  
Yes, City staff collect and read all comments and feedback. You will see changes in the maps this fall, when we transmit MHA legislation to the City Council.

While taking community feedback, we are also conducting an Environmental Impact Statement and Race and Social Justice Analysis. These will all inform decisions on how to change the maps.

### Transmit MHA Citywide Legislation to City Council September 2017

### City Council takes public input on MHA September 2017 - June 2018

2014

2015

2016

2017

2018
