Magaca Loo shaqeeyaha (Koobaad iyo Saddexaad): _____

Sharciga Seattle ayaa ka doonaaya loo shaqeeyahaan inuu siiyo adigga ama wakiilkaaga qarashaadka caafimaadka ee bilaha ah. Qarashka daryeelka caafimaadku waa cadad lacageed oo shirkada aad u shaqayso bixiso si laguu siiyo helitaanka adeegyada daryeelka caafimaadka. Tusaale, shirkada aad u shaqayso ayaa:

- Bixin karta lacagaha si lagaaga qoro barnaamij caymiska caafimaadka bixiya;
- Ku shubi karto lacago koontada kaydka caafimaadka ama qarashka kaabida caafimaadka oo adigga laguguu talagalay; iyo/ama
- Ku siin karta lacagaha dakhliga caadiga ah.

Shirkada aad u shaqayso ayaa dooran karta qaababka ay u buuxinayso waajibaadkeeda sharciga ah. Cadadka lacagta shirkada loo shaqeeyo bixiso ayaa kala duwan ayadoo ku xiran cadadka dadka gurigaaga ku nool. Cadadka hadda la bixiyo ayaa ku qoran webseetka OLS.

Markay jiraan xaalado gaar ah, shirkada aad u shaqayso ayaa laga doonayaa inay bixiso qarashka daryeelka caafimaadkaaga xataa haddii aan shirkada aad u shaqayso wax qarashaad ah ku siin adigga ama wakiilkaaga. Si tani u dhacdo, arimaha soo socda waa inay suurtagalaan:

| | | |
|---|---|--|
| <p>Qadarkan lacagta cayiman ah ayaa isbeddela sanad kasta waxaana la diyaariyaa kahor Luulyo 1.Qadarka lacagta waxaa laga heli karaa webseedka Xafiiska Xeerarka Shaqaalaha (Office of Labor Standards). Qorshaha loo shaqeeyaha ee dhibista qarashka ayaa si buuxda u dhamaystiraya cadadka aad ku leedahay. 2. Qorshaha shirkada kaagama baahna in aad bixiso in ka badan qadar lacag cayiman (hoos ka muuqda) si aad u hesho kharashka daryeelka caafimaadka (sida, lacagaha lagu bixiyo caymiska caafimaadka). 3. Inaad si iskaa ah u diido dhammaan ama qayb ka mid ah qorshaha shirkada aad u shaqayso ee qarash bixinta. 4. Waxaad saxiixaysaa qarash dhaafka ikhiyaariga ah. |

(20% ka mid ah qadarka kharashka billaha cadadka kharashaadka shaqaalaha aan lahayn lammaane, lammaane guriga la degan, dad ku tiirsan)

Goorma ayay arintaani imaanaysaa? Caadiyan, tani waxay dhacaysaa haddii qorshaha shirkada aad u shaqayso ee buuxinta waajibaadkeeda ayadoo lacago ku bixinaysa in lagaa qoro barnaamij caymis caafimaad baxsha.

Haddii aad diido qayb ama dhammaan qaabka ay shirkada aad u shaqayso dooratay in lagu baxsho qarashka, shirkada aad u shaqayso aaya kaa codsan karta inaad ka tanaasusho xaqa aad u leedahay qarashaadkaan adoo saxiixaaya foomkaan tanaasulka.

Tanaasulka aaya kaliya shaqaynaaya hal sano. Shirkada aad u shaqayso waa inay foomka oo mar kale la buuxshay heshaa sanad kasta oo aad doonayso inaad ka tanaasusho xaqaaga.

Joojintaan waa inuu ahaado qoraal. Luuqada sanbalka ah oo aad adeegsan karta ayaad ka helaysaa webseetka OLS.

Haddii AADAN saxiixin laakiin aad sii wado inaad diido dhammaan ama qayb kamid ah qarashka daryeelka caafimaadka, qasab maaha in shirkada aad u shaqayso kuusii wado qarashka daryeelka caafimaadka lagaaga bixinaayo.

Haddii AADAN saxiixin, laakiin AADAN sii wadin inaad diido dhammaan ama qayb kamid ah qarashka daryeelka caafimaadka, qasab weeye in shirkada aad u shaqayso kuusii wado qarashka daryeelka caafimaadka lagaaga bixinaayo.

TANAASULKA IKHTIYAARIGA AH EE SHAQAALAH

Saxii kaliya haddii aad doonayso inaad ka tanaasusho xaquuqdaada.
