

RADIATOR WHISKEY BALLARD

5313A Ballard Ave NW, Seattle, WA 98107

February 23, 2025

STOREFRONT DESIGN

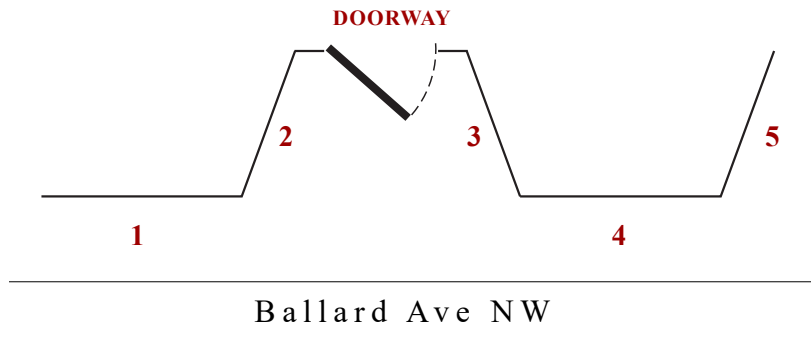

RADIATOR WHISKEY BALLARD

STOREFRONT DESIGN

5313A Ballard Ave NW, Seattle, WA 98107

WINDOWS

- 1 - 64.5 x 82 inches
- 2 - same
- 3 - 65.25 x 82 inches
- 4 - 66.5 x 81.5 inches
- 5 - 66.25x81.5 inches

Black and Gold Bands (see attached mockups)

Due to potential production variations/specifications, all dimensions are approximate, but will be accurate to plus or minus .5 inches.

The window designs will be placed on the inside of the windows in order to prevent potential damage that would be detrimental to the business and neighborhood.

There will be two black bands on windows 1-5, all extending the full width of each numbered window.

The top bands will each be 9 inches tall. The bottom bands will each be 21 inches tall.

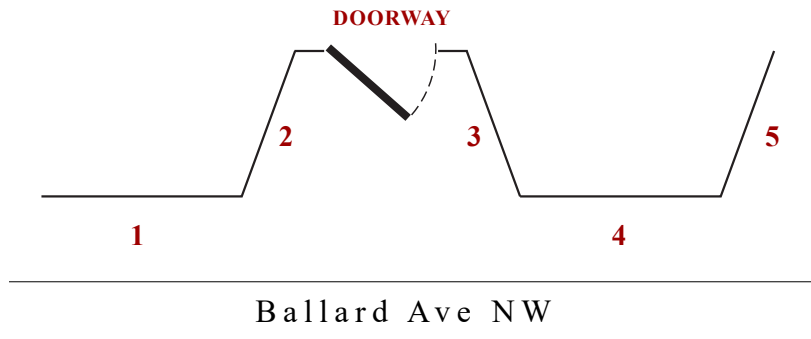

The gold stripes on both the top and bottom bands will extend the full width of the windows and will be .5 inches tall, placed as shown in the accompanying images.

WINDOWS

- 1 - 64.5 x 82 inches
- 2 - same
- 3 - 65.25 x 82 inches
- 4 - 66.5 x 81.5 inches
- 5 - 66.25x81.5 inches

Additional Design Elements.

The two “Radiator Whiskey” elements including the top and bottom ornamentation (as shown below) will be approximately 29.3 inches wide and approximately 14.5 inches tall. They will appear only on Windows 1 and 4, the windows facing Ballard Avenue NW.

There will be two mirrored, filigree design elements on windows 1-5, placed on the glass, just below the top black band and above the bottom black band (see accompanying images for placement) and will be approximately 62.5 inches in length, centered horizontally on each window.

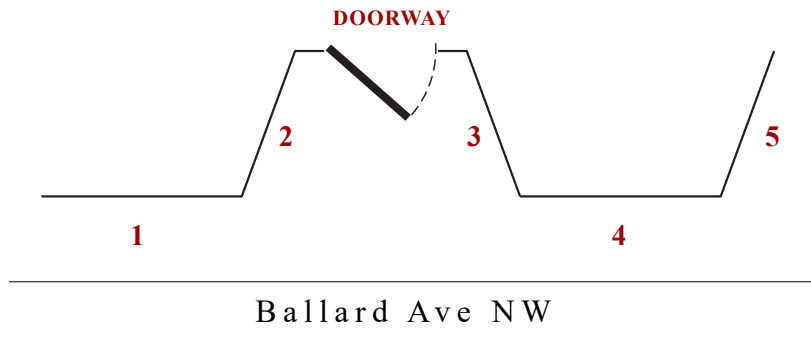

All copy in the black bands at the top of the windows will be white, all caps, 3 inches tall, and centered on each window.

THE DOOR LOGO

The vinyl logo will be placed on the window of the door, centered on the glass both vertically and horizontally in order to avoid issues if the logo were to be placed at eye level. The logo will be approximately 16 inches in diameter and will be placed on the inside of the door glass to reduce the possibility of potential damage if placed on the street side.

Rendering 4

At Bison Peak Designs we create realistic renderings for you to review. This includes close to accurate wood color, stain, font color, border design, font design, measurements, anything else we see fit for the rendering. When reviewing your rendering please make sure all info is correct before submitting payment. In the case of a major change after payment (size, font, layout, materials) it will result in a 30% upcharge plus any additional materials purchased.

Once payment is received you have given Bison Peak Designs the Approval to proceed with the order. All orders will have a QC picture sent before shipping.

Orders Ship 1-2 days after QC Pic is sent. All Artwork created by Bison Peak Designs is owned by Bison peak designs.

If order is cancelled after rendering is approved and payment made by the customer there will be no refund.

First 3 proofs are free, each proof after that is \$10.00 each. In some cases Bison Peak will waive the fee.

WOOD SIGNS- If an outdoor sign all prices are quoted in using Alder or cherry wood.

If an indoor sign prices are quoted in Poplar. If you choose to use pine or poplar for an outdoor sign we can not assure the sign will last.

METAL SIGNS- All metal signs are quoted in 16ga (1/16in) thick steel. If you wish to have a thicker steel sign please state the thickness you want. All metal signs ship with 3/16in holes top and bottom.

All metal signs can be used for indoor or outdoor use.
