

This is a list of all properties subject to the Seattle Energy Benchmarking Law (SMC 22.920) that have failed to submit their 2023 energy performance reports as of 8/21/2024. If your property is on this list, please visit seattle.gov/energybenchmarking and click on the Instructions tab for guidance on achieving compliance. You can look up your property's OSE Building ID on seattle.gov/energybenchmarkingmap.

Please note that this list only represents the properties out of compliance as of 8/21/2024. Visit the Seattle Energy Benchmarking Compliance Portal on seattle.gov/energybenchmarking for the most up-to-date compliance status of your property.

Property names and addresses in OSE's database may differ from those with which you are familiar for your property. If you are unsure of whether your property is on the non-compliant list, please use the eReal Property Search feature on kingcounty.gov/assessor to look up your King County Tax Parcel ID Number. Then use the Find function in your PDF reader to search the list for your Tax Parcel ID Number.
