Parks and open spaces, Outdoor sports facilities, Please end camping in the parks. I've lived in Seattle for almost 40 years. This is not the city grew up in. It's embarrassing that we cannot host little kid cross country meets at lower woodland because nobody in the parks department has the gut to call it like it is: the homeless encampments are running the parks. I wish there was a solution to homelessness. Climate change has been happening since the beginning of time. Remember he ice age? No people were on the planet to cause the ice to melt. Humans are not the cause of any warming. Oceans are heating up because of record underwater volcanic eruptions in the Pacific oceans ring of fire. What are you going to do, bomb underwater volcanoes to stop the spread? We need to concentrate on clean air and water but we cannot stop global warming if it really exists. Yes oceans may rise in temperature melting ice caps but that has nothing to do with people. shelter or hygiene services, Parks and open spaces	Too dangerous to use with all the homeless camps	I'm excited at the thought that you might restore our parks to the public, not to just the homeless														More than 45 minutes	Drive my own vehicle, Walking	Emergency response (de-escalation, fire, mental health crisis, etc.)	Healthy urban tree canopy that provides shade in outdoor spaces	Additional tree canopy to reduce urban heat		98105	50&°59	F	English							White	8/31/2021 15:56	
			Honestly, I can't take any of these endeavors seriously or feel that I can use the parks safely, which is incredibly disappointing, until the homelessness and dangers associated with the homeless population are dealt with. It's been one of the worst aspects of the pandemic, but this late-capitalism dystopian nightmare prevents safe and enjoyable park usage. I would love to be able to go back to the parks, enjoy community events, volunteer, and meet people, all things I've done in other places I've lived. But thus far, SPR has proven to be unsafe for an adult white male. My wife won't even run around Green Lake alone. And I hate running. Please fix this.

Parks and open spaces, Volunteered for programs	There aren't programs in my area that I'm interested in, Operating hours do not match my schedule, fear of vagrants, drug users who populate Green Lake Park	Outdoor aquatics: spray parks, wading pools, beaches, outdoor pools, I will be excited when you open the parkign lots south of Green Lake and get rid of the shack/homeless/drug users thieves who have chosen to take over the Green Lake park-- city of Seattle now will nto allow cross country team sot use the Park because City of Seattle let the thieves. drug users take over and leave mounds of trash, needles, feces and litter. Bad choices	Health and fitness, open over the Green Lake Lake clean up an ddump in desert all the trash and drug using offenders. I am no longer safe to go to Green Lake. I do not care 2 twits abotu all this other stuff-- when I am not safe by your decisions why would I go there for anything?			Important	Very	Not	Very			Very	Not	Important	Very	Weekday early mornings (7 am-9 am), Weekday evenings (5 pm-9 pm), Weekend (Sat/Sun) afternoons (1 pm-5 pm)	Up to 10 minutes	Drive my own vehicle, Walking	Customer service and care, Emergency response (de-escalation, fire, mental health crisis, etc.)	none of this matters-- if you provide an outdoor canopy in heat in a park where you allow drug users they will take over the space an drob people in addition to havign fights and property damage how cool!	Composting available in parks and facilities, Organic land management practices, get rid of trash which litters the ground and sends horrible gas, oil, drug water an dhuman feces urine straight into our water sources by letting drug yers thieves and vagrants etc to use the park as a sewer, trash can, dump	Online communities: Facebook groups, NextDoor, etc., you can improve t by opening the baarriers ot Grene Lake Prk parkign lots.. why do we have to ask and ask and get told you will do it in October.. after the entire summer is gone and we stopped going there an din our absence it filled with illegal actions and danger.	98103	70 or older	f	English							White	8/31/2021 18:51

Parks and open spaces, I would like to be able to use parks more than I do now, but many parks are overrun with drug addicted criminals who have threatened and screamed at me multiple times. Plus, many needles all over parks makes them really unsafe.	The many drug addicted mentally ill people living in parks and leaving needles all over them make it really hard to enjoy parks most of the time.	Hopefully feeling safer when I use parks. At the moment many parks are not safe for the general public to use.	If there was a program that made parks actually safe for use without being threatened by people living in them, and without stepping over needles, that would be a great start.		Important	Not	Very	Very	Important	Very	Not	Not	Very	Weekday mornings (9 amâ€”noon), Weekend (Sat/Sun) early mornings (7 amâ€”9 am), Weekend (Sat/Sun) mornings (9 amâ€”noon), Weekend (Sat/Sun) afternoons (1 pmâ€”5 pm)	Up to 10 minutes	By bus, streetcar, or light rail, Walking	Emergency response (de-escalation, fire, mental health crisis, etc.)	There are constant fires at the park across the street from me, but they aren't caused by climate change. They are caused by the homeless criminals constantly setting fires in the park which is a real danger for people in the neighbourhood.	This is really not important in the grand scheme of things. Number one priority should be making parks safe and usable. When I attempt to visit a park the climate footprint is really not front of mind. My wife and I would walk on the Longfellow Creek trail in West Seattle until homeless campers took over the trail. The homeless would threaten to kill us on a regular basis just for walking through "their territory" until we stopped walking there.		Enforcement of current laws regarding illegal drug usage. This will not happen, but it would be great if we could enforce current laws to remove danger and risk associated with drug usage in the parks. Making it a safer place for all to enjoy the parks.	Enforcement of current laws on illegal drug usage and vagrancy to make the city and its parks safer and actually usable.									Very		Up to 45 minutes	Drive my own vehicle	Emergency response (de-escalation, fire, mental health crisis, etc.)	The environmental impacts I see prominently are the amount of garbage, biowaste and animal infestations that are generated by the homeless campers in our parks and trails.	Enforce vagrancy laws within the parks and trails so that the trash, refuse and animal infestations don't negatively impact the environment.	messenger goose	98106	30-39	unknown	American slang	Christmas Isl	Aleutian Islar	Madagascar / Easter Island	Failaka Island	Cook Island		8/31/2021 20:54

Programs” are very far down the list of why we have/need parks. Most people just want a quiet, safe outdoor experience.		The barriers are obvious. Vagrants have taken over the parks and are preventing the public from enjoying what is theirs to enjoy. Please deal with this before spending any more time on these types of fringe issues/questions.	I would be excited to hear that the vagrants will be removed from our parks and the general public can re-experience the pleasure of using the parks as they were intended to be used.	Remove the vagrants from our parks before you “brainstorm” any further. Parks and open spaces, Outdoor sports facilities, Volunteered for programs, Walks in natural areas of parks was what kept me going during Covid. It was hard to see people so careless of the habitat in many parks: making many social trails, letting dogs roam freely in natural areas, more trash. We need more education for park users.	No barriers	I am pleased that SPR is starting to consider aspects of climate change in future planning. I believe SPR can reduce carbon emissions.	sustainability, and stewardship, Youth programming, Education of the general public about being good stewards of the park areas. This includes avoiding the creation of social trails through natural areas (especially in areas such as the Cheasty Bike paths that will have a big impact on plants and animals since many bikers will go off the established trails) This also includes educating dog owners about keeping their off-lease dogs in the OLA, rather than letting them run free all over natural areas as is often the case at Magnuson Park and other parks. I'd also like education about the use of drones in parks. I have encountered drone operators that fly their		Very	Not	Important	Very	Very	Not	Important	Important	Very	Weekday early mornings (7 am-9 am), Weekday mornings (9 am-noon), Weekday afternoons (1 pm-5 pm), Weekday evenings (5 pm-9 pm), Weekend (Sat/Sun) early mornings (7 am-9 am)	Up to 20 minutes	Drive my own vehicle, By bus, streetcar, or light rail, Walking	Cultural awareness, equity, and language access, Sustainability practices	Healthy urban tree canopy that provides shade in outdoor spaces	Alternative energy (e.g., solar), Shifting from gas-powered to electric fleet and equipment, Renovating and building facilities that are more energy efficient, Reducing impervious surfaces (pavement) in our park and facility design, Organic land management practices, Green infrastructure to create a healthier urban environment, Additional tree canopy to reduce urban heat, I am not in favor of a lot of increased lighting in parks--we need to preserve night skies even in the city. Not convinced that more lights enhance safety. I think SPR should put a priority on preserving open space and natural areas. We don't need more hard scapes in our city. Parks and open spaces, I have spent time in Cal Anderson Park, Freeway Park, Greenlake Park, Volunteer Park, and Seward Park. I didn't visit any beaches last year, but have in the past and consider that a valuable service.	lâ€”m not sure what is available	Community events and gathering spaces, I mostly use parks to jog through, since grass/earthen trails are easier on my knees. Tent encampments and related closures have impaired my ability to use the parks. What I would be most excited about is being able to make full use of community spaces, without the seizure of these public spaces for private use.	I am less concerned about "programming" than I am about simply being able to use the parks. For example, functioning restrooms are nice to have in public parks, yet maintenance of such facilities seems to be a low priority for the city. I'd like the Parks department to make sure park facilities are in good working order before worrying about "childcare" or "technology skills." There seems to be a lot of "mission creep" going on here, and I'd encourage you to focus your strategic plan on providing basic services first, and leaving things like "job readiness" to public schools and community colleges.	Not	Not	Not	Not	Important	Important	Not	Not	Very	Weekday evenings (5 pmâ€”9 pm), Weekend (Sat/Sun) mornings (9 amâ€”noon), Weekend (Sat/Sun) afternoons (1 pmâ€”5 pm)	Up to 20 minutes	Drive my own vehicle, Get dropped off by someone else, By bus, streetcar, or light rail, Walking, By bicycle, scooter, or other non-motorized wheels	Customer service and care	Healthy urban tree canopy that provides shade in outdoor spaces	Shifting from gas-powered to electric fleet and equipment, Reducing impervious surfaces (pavement) in our park and facility design, There are opportunity costs with many of these ideas. You'd probably get more bang for the same \$ for reducing carbon footprint by spending the money on transit options instead. Anyway, a public survey like this is not a good way to figure out how to reduce carbon pollution.	A lot of this is fairly ridiculous. I don't want to pay for all this. Just use the money we give you to provide open and well-maintained parks and open spaces. I'm sure there are community groups that can provide feedback on specific issues, like the Freeway Park Assn., etc. You don't need to use our money to pay for radio ads. Use it to pay for our parks for God's sake.	98101	40â€”49	Male	English						White	8/31/2021 15:32

Parks and open spaces - our primary use of Seattle parks is dog related exercise.	Program fees are too high, The scholarship resources are hard to find or too complicated, There aren't programs in my area that I'm interested in, We are a child free family with two dogs. Parks and open spaces		Lack of response from SPR staff, City food program has banned nets from apple trees in parks, taken over projects and abandoned them, and made it clear volunteers can do work without any benefits. Communication between Parks projects seems non-existent. No follow through with community members doing work.		Environmental education, sustainability, and stewardship, Ten years ago, Parks was dedicated to supporting volunteer efforts in the woods and park near my home. There doesn't seem to be much of an effort to help/communicate anymore. Like a lot of other stewards, I'm now on my own working for the good of my neighborhood without official support. Parks and open spaces, Burke-Gilman and other bicycle trails. That fact this isn't even listed speaks volumes about it's priority.	The Burke-Gilman is suffering from neglect. It is very rough in places, vegetation overhangs the trail, no significant maintenance in two years.	I am not planning to engage with these services, Maybe some maintenance and improvements on Burke-Gilman	Health and fitness, Fix and finish the Burke-Gilman. Near daily use of dog parks. Why aren't dog parks highlighted on this form. We NEED some playgroups for those super sunny days.	Operating hours do not match my schedule, Need lighting at dog parks on dark winter mornings, Playgrounds for kiddos need nearby bathrooms. At Dearborn Oak, for example, no bathrooms at all!!! You are inviting kiddos to defecate in park when no nearby bathroom options are offered. Also need shade protections at/super near playgrounds for those super sunny days. Parks and open spaces, Outdoor sports facilities	Lack of response from SPR staff, Poorly maintained and unsafe tennis courts. Crack create trip hazards. Courts are filthy, filled with trash and graffiti. Seattle Parks has been absolutely nonresponsive on dozens of emails I have sent. Disgraceful.	We need more tennis courts in West Seattle. We lost the Lowman Beach courts, pickleball is taking over courts, and remaining courts are nearly unplayable due to poor maintenance. Population and taxes have increased while courts have decreased.	More tennis. Tennis is the perfect socially distance sport.										Weekday evenings (5 pmâ€™9 pm), Weekend (Sat/Sun) mornings (9 amâ€™noon)	Up to 20 minutes	Drive my own vehicle, Walking	Customer service and care, Emergency response (de-escalation, fire, mental health crisis, etc.)		Shifting from gas-powered to electric fleet and equipment, Renovating and building facilities that are more energy efficient, Shifting from natural gas to electric heating systems	It would be great if the Seattle Parks people actually responded to maintenance and safety issues. My emails have been largely ignored over the past two years.	98116	50â€™59	Man	English								8/31/2021 19:07

Parks and open spaces, Outdoor sports facilities	No barriers	Indoor aquatics: pools and swim lessons, Outdoor aquatics: spray parks, wading pools, beaches, outdoor pools, Clearing all encampments in parks and enforcing safety rules is the absolute highest priority. No needles. No drugs/alcohol and threatening behavior. No fires. Protection of trees and plantings. Protect our parks and make them safe for all.	Clean and safe parks with rules enforced. Welcoming for ALL. Protection of our shared environment.		Important	Important	Very	Very	Very	Very	Not	Important	Very	Weekday mornings (9 amâ€™noon), Weekday afternoons (1 pmâ€™5 pm), Weekday evenings (5 pmâ€™9 pm), Weekend (Sat/Sun) afternoons (1 pmâ€™5 pm)	Up to 10 minutes	Drive my own vehicle, Get dropped off by someone else, Walking, By bicycle, scooter, or other non-motorized wheels	Customer service and care, Emergency response (de-escalation, fire, mental health crisis, etc.), Program quality	Safe parks and public spaces. No encampments, no drugs, no criminal activity, no "mutual aid" mafia-ish rules that supersede official park rules. Safe spaces for ALL.	Alternative energy (e.g., solar), Shifting from gas-powered to electric fleet and equipment, Renovating and building facilities that are more energy efficient, Reducing impervious surfaces (pavement) in our park and facility design, Organic land management practices, Additional tree canopy to reduce urban heat, Protection of green spaces -- no trampling and camping, no human waste and littering, no cutting of trees, no illegal fires.	Digital communication: SPR newsletter, social media, website, blog, Print materials: Flyers and signs in your neighborhood, community centers, and libraries, Media: radio, newspapers, local blogs, Relationships: word of mouth, staff presence in your community, connections with key community leaders and elders, Online communities: Facebook groups, NextDoor, etc., Seattle needs to revamp the Dept of Neighborhoods so there is an actual framework for neighbors to interact with the city and with each other. Since the demise of the District Council system, things are more fragmented and polarized than ever. Seattle needs to re-embrace neighborhood coordinators and regular neighborhood meetings.	98107	503°59	female	English							White	8/31/2021 19:23

We mostly went to Discovery Park early mornings on weekdays. Once or twice we walked green like when it will become one way which is very nice. But only once or twice around green lake. We only live a few blocks from Green Lake.		the gym, toddler gym, etc., Programs for people age 50+. I did not know if you would give me a chance to see this anywhere else in the survey. So I am going back and adding this at the beginning of this response. I want to see the homeless at Green Lake completely gone all of them this is gotten to be so crazy they are so brazen now more and more. I am hooked into next-door to find out about whatâ€™s going on and itâ€™s horrific. I am so tired of it. I do not go to Green Lake at all anymore. 	was unable to visit Greenlake as a disabled person because West Green Lake Way N was closed and the nearest parking spots blocked off.	West Green Lake Way N was closed preventing me from getting to the nearest part of the lake. This is the first year since I've lived in this neighborhood that I was not able to visit the lake. I'm sorry the City chose to close the nearest road and eliminate the parking. What a waste.	Opening West Green Lake Way N and restoring about 130 parking spaces. The other lots are always full and that is a problem for those of us with mobility challenges.	Opening West Green Lake Way North and the parking spaces so I can get to the lake and enjoy walking on the inner path.

Virtual programs and events, Parks and open spaces, Outdoor sports facilities, Socially distanced outdoor programs, Participated in conversations about deep challenges facing Cal Anderson Park, worked with SPR to set a community table to advance community and city priorities for Cal Anderson Park.		Community events and gathering spaces, Volunteering, I'd like to see more concessions activate some of our smaller parks like Cal Anderson, as they do at places like Greenlake. They are a great economic opportunity for small entrepreneurs, so let's work together to figure this out.	Arts and culture, Youth programming, Activities and programming that bring the community together in our main public space, which is Cal Anderson Park. This is especially true in places like Cal Anderson Park. I applaud the City's work to come to the table with the community this summer, and we should find a way to scale this type of partnership to other parks that have complex needs and diverse user groups. This type of work doesn't lend itself to digital solutions—it's about trust, relationships and clear, active communication.	98122	408°49	Male	English											8/30/2021 22:58
