**BEFORE THE CITY OF SEATTLE
PUBLIC SAFETY CIVIL SERVICE COMMISSION**

In the matter of the appeal of

BRENT MOORE

Appellant

V.

SEATTLE POLICE DEPARTMENT

Respondent

DISMISSAL ORDER

PSCSC no. 22-01-004

On October 27, 2022, the Appellant filed a timely appeal with the Public Safety Civil Service Commission (PSCSC) of a six-day disciplinary suspension issued to him by Seattle Police Department (SPD).

In his appeal Officer Moore alleged age discrimination. PSCSC Rule 2.15 requires PSCSC to refer an appeal that includes an allegation of discrimination to the Seattle Office for Civil Rights for investigation of that allegation. On November 3, 2022, PSCSC referred Officer Moore's allegations of discrimination to SOCR. On January 3, 2023, Mike Chin, Civil Rights Enforcement Director notified the PSCSC that Officer Moore decided not to pursue a charge with SOCR based on age.

On December 23, 2022, PSCSC was notified by Kim Fabel, Legal Assistant to Catherine Seelig, Assistant City Attorney and representing the SPD in this matter, that Officer Moore's grievance would proceed to arbitration with the Seattle Police Officer Guild (SPOG).

On January 9, 2023, the Appellant emailed the PSCSC a Notice of Withdrawal form stating he was withdrawing his appeal filed with PSCSC.

ORDER

Upon reviewing the Appellant's request to withdraw their appeal, I hereby order that the Appellant's appeal is **dismissed**.
