2. APPEAL OF THE DECISION OF DIRECTOR (PSCSC 2.13.b)

- Moss-PSCSC No. 21-05-012:

- Rivera-PSCSC No. 21-05-013

Lieutenants Moss and Rivera addressed the commission regarding the Executive Director's March 25 decision to deny a Request for Certification submitted by SPD for one promotion for the rank of Police Captain (assignment: Night Captain). The Executive Director had denied SPD's request because there was

no vacant budgeted position at rank of Captain when the request was made. Both Lieutenants spoke extensively, answered the questions of the Commissioners, and submitted written materials which the commission considered. SPD did not appear at the meeting on its own behalf.

The Executive Director explained that PSCSC Rule 11.02 requires a vacancy for issuance of a certification for promotional consideration. The Director acknowledged that on prior occasions, Captain certifications were issued without a vacancy. She understood that this approach began in 2014 in an effort to accommodate a former SPD's Police Chief's desire to promote and assign captains she selected, though it was contrary to precedent and Rule 11.02. The Executive Director further explained that since 2014, SPD and the PSCSC shared an understanding and intention to return SPD to the number of Captains for which it was budgeted, and for the PSCSC to only issue certifications in the case of an actual vacancy. The Executive Director further stated that although PSCSC issued several promotional certifications for Police Captain since 2014, none were issued since summer 2020. In its March 2021 request for a certification to promote one Captain to the Night Captain assignment, SPD did not assert that there was an urgent operational need to do so.

The lieutenants stated that the denial to issue SPD the certification was unfair because they anticipated being promoted before the August 2021 expiration of the register. Lt. Rivera also explained the impact he felt that the decision not to issue a promotional certification could have on candidates of color, including him and Lt Moss. Lt. Moss explained that because he was in an Acting Captain role, he was particularly aggrieved, and SPD should be allowed to consider him for promotion. Exams Analyst Rachael Schade provided information to the Commission on the Request for Certification process and history of certifications to SPD.

The Commission held an executive session. The Commission then issued an Order requesting that SPD provide additional information in support of their request for certification of one Captain position pursuant to PSCSC Rule 11.02, should SPD wish to do so.
