Hello. Welcome to the RSJI Summit. I'm Council President Debora Juarez, representing District 5 for the great city of Seattle.

Since RSJI started in 2004, all across our city, we've had honest discussions about the history of racism in our community, what we see and witness in our daily lives, and how we can all be part of the solution.

For almost 20 years now, city employees like yourself have made an incredible effort to move us forward. And for that, we thank you. I'm proud of our city and our efforts to institutionalize equity and access for all.

Again, thank you for your participation in this summit and for your contributions to our great city.
