1 WHEREAS, in July 2021, the City’s SEPA decision was appealed by the Port of Seattle, which  
2 has delayed the adoption of the proposed permanent regulations because the Port and  
3 City staff have been working on amendments to the proposed permanent regulations,

8 permanent Floodplain Development Regulations; NOW, THEREFORE,

9 **BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

10 Section 1. The City Council makes the following legislative findings of fact and declares  
11 as follows:

12 A. The Council incorporates by reference the findings of fact contained in Ordinance  
13 126113.

14 B. In July 2020, the City Council passed and the Mayor signed Ordinance 126113,  
15 establishing interim floodplain development regulations to maintain the City’s standing in the  
16 Federal Emergency Management Agency’s National Flood Insurance Program, enabling  
17 residents to continue to be eligible for flood insurance while preventing development  
18 incompatible with City goals related to development in the floodplains.

19 C. Since that time, the City has proposed permanent floodplain development regulations  
20 that included the amendments proposed in the interim regulations and additional code  
21 amendments and published its State Environmental Policy Act (SEPA) decision on this proposal;  
22 however, due to factors detailed below, the work necessary to complete the permanent

1 regulations will not be completed before the expiration of the interim regulations on February 15,  
2 2024.

3 D. The City’s SEPA decision published in July 2021 was appealed to the Hearing  
4 Examiner by the Port of Seattle (“Port”), and Port and City staff have been working to resolve  
5 the issues raised by the Port with code amendments, Director’s Rules, Tips, and a memorandum  
6 of understanding (MOU).

7 E. The City withdrew its SEPA decision in February 2022 in order to reissue an updated  
8 SEPA analysis on the amended proposed permanent Floodplain Development Regulations that  
9 address some or all issues raised by the Port of Seattle.

10 F. Revised Code of Washington (RCW) 36.70A.390 authorizes the City to renew interim  
11 regulations by ordinance for a six-month period.

12 Section 2. Pursuant to RCW 36.70A.390, the interim regulations first set forth in  
13 Ordinance 126113, and as amended by Ordinance 126536, shall be renewed for a period of six  
14 months from the date this ordinance becomes effective, and shall automatically expire after the  
15 six-month period unless the same is extended as provided by statute, or unless terminated sooner  
16 by the City Council.

1 Section 3. This ordinance, which is not subject to referendum, shall take effect and be in  
2 force after its approval by the Mayor, but if not returned and approved by the Mayor, within ten  
3 days after presentation.

4 Passed by the City Council the \_\_\_\_\_ day of \_\_\_\_\_, 2024,
