

ROSTER SOLICITATION: Light Rail Station Parking Studies

Project Manager	Becky Edmonds
Email	Becky.edmonds@seattle.gov
Phone	(206) 684-5104
Website	https://www.seattle.gov/transportation/projects-and-programs/programs/parking-program/community-access-and-parking-program

High Level Scope	Study parking around upcoming light rail stations at U-District, Roosevelt, and Northgate. Sound Transit is separately contracting for studies within one-quarter mile of each station; this study will cover studying on-street parking from one-quarter to one-half mile from stations (as identified by SDOT), as well as studies of select off-street facilities. Study will include estimating supply of parking as well as multiple occupancy counts throughout the day.			
Contracting Opportunities (1)	 Light Rail Station Area Parking Studies Scope Summary Scope will likely include the following tasks: Project management, data collection, and reporting. Estimate: \$160,000 Funding Notes: As noted above, Sound Transit is separately funding a similar study closer to stations. We expect to coordinate for consistency with their study. 			
Scope Details	Contracting Opportunity is anticipated to be released as a roster solicitation. The solicitation will be sent to firms registered under relevant roster categories from the City of Seattle Online Business Directory (OBD).			
Contract Estimate(s)	\$160,000			

Schedule Summary	SDOT is looking to release this in Spring 2019.
------------------	---

The consultant contract opportunity will be announced on http://consultants.seattle.gov/. The Formal Solicitations are bid through the City of Seattle E-Bid Exchange system.

SDOT UPCOMING CONSULTANT OPPORTUNITIES

Seattle Department of Transportation

Listing Updated Quarterly

Projects	Description	Design Consultant Opportunities	Construction Management Opportunities	Outreach Consultant Opportunities During Design	Outreach Consultant Opportunities During Construction	Planning	Other	Project Manager
ROSTER SOLICITATION: 2019 Slurry Seal Outreach	The consultant will support outreach and engagement on the following 2019 slurry sealing locations: Magnolia, Queen Anne, Blue Ridge, Crown Hill, Roxhill, South Delridge, Highland Park, South Park, Chinatown/International District, Central Ridge, and Northgate.			Q2 2019				Adonis Ducksworth adonis.ducksworth@seattle.gov 206-684-4193
Madison BRT CM Services	"Provide on-site RE, inspectors, office engineer/document control team to manage the construction of this bus rapid transit project. A. Madison BRT (RE/Inspectors only) B. Madison BRT (Office Engineer/Doc Control only)"		Q4 2019					Mark Sliger mark.sliger@seattle.gov 206-733-9936
ROSTER SOLICITATION: New Mobility User Survey Development	Design a survey instrument(s) to understand use of shared mobility services such as car share, bike share, transportation network companies, etc. The survey instrument will be administered to users by companies operating these services. Consultant may also assist SDOT to administer a statistically valid citywide user/nonuser version of the survey.						Q2 2019	Becky Edmonds becky.edmonds@seattle.gov 206-684-5104
E. Marginal Way Corridor Improvement Project Outreach	SDOT is seeking consultant services for community outreach for the E. Marginal Way Corridor Improvement Project through the design and construction phases. Consultant tasks may include outreach management, plan and strategy, agendas and summary notes, organizing and planning public events, preparing materials, facilitating, preparing visualizations, developing outreach summary reports, and managing logistics. Interim Quality Management and Risk Management services – until permanent positions within SDOT are identified and filled (6 – 12 months). Estimate: \$300,000 - \$450,000
Scope Details	Contracting Opportunity is anticipated to be released as a Request for Qualifications as early as April 17, 2019
Contract Estimate(s)	\$300,000 - \$450,000

Schedule Summary	SDOT is looking to release a Request for Qualifications mid- to late April, 2019.
------------------	---

The consultant contract opportunity will be announced on http://consultants.seattle.gov/. The Formal Solicitations are bid through the City of Seattle E-Bid Exchange system.

SDOT Specialty Bridge Inspections

Project Manager	Richard Hovde
Email	Richard.Hovde@Seattle.gov
Phone	(206) 684-5197
Website	

	Provide specialty structural, mechanical, and electrical on-call inspection services to supplement SDOT's bridge inspection staff on an as-needed basis.
High Level Scope	supplement 300 i s bridge inspection stan on an as-needed basis.
	A. SDOT Specialty Bridge Inspections
	Scope Summary
	 Scope will likely include the following tasks: On an on-call basis, perform fracture critical bridge inspections,
	underwater bridge inspections, inspections to the
	mechanical and electrical components of SDOT movable
	bridges, inspections requiring non-destructive testing such
Contracting	as ultrasonics/magnetic particle/dye penetrant, and
Opportunities (3)	inspections requiring special access such as rope-access
opportunities (e)	and/or sUAS.
	• <u>Estimate:</u>
	o \$500,000
	Funding Notes:
	The total project estimate is \$500,000 and is expected to
	funded by these accounts: Structural Engineering
	Underwater Inspection. Other funding will be determined at
	time of on-call.
0 0 1	Contracting Opportunity is anticipated to be released as a roster solicitation. The
Scope Details	solicitation will be sent to firms registered under relevant roster categories from the
	City of Seattle Online Business Directory (OBD).
Contract	\$500,000
Estimate(s)	

Schedule Summary	SDOT is looking to have three on-call five-year contracts in place by July 2019.

The consultant contract opportunity will be announced on http://consultants.seattle.gov/. The Formal Solicitations are bid through the City of Seattle E-Bid Exchange system.

Roster Solicitation: 2019 Slurry Seal outreach

Project Manager	Adonis Ducksworth	
Email	Adonis.ducksworth@seattle.gov	
Phone	(206) 684-4193	
Website	www.seattle.gov/visionzero	

High Level Scope	Support outreach activities for slurry sealing in several neighborhoods throughout Seattle.
Contracting Opportunities (3)	In support of the slurry seal program, the consultant shall: • Draft, review, and finalize the public involvement plan • Coordinate stakeholder briefings • Monitor the project inbox and phone line to respond to correspondence • Develop project messaging • Prepare project and construction notifications (print, flyer, email, and social media) • Coordinate translated materials • Regularly update the slurry seal website • Review and update graphics • Provide flyer distribution support Deliverables • Public involvement plan • Outreach materials, including factsheets, flyers, translated materials, website content, graphics, notifications • Summary of outreach at conclusion of construction
Scope Details	Contracting Opportunity is anticipated to be released as a roster solicitation. The solicitation will be sent to firms registered under relevant roster categories from the City of Seattle Online Business Directory (OBD).
Contract Estimate(s)	\$80,000

Schedule Summary	Slurry sealing is expected to begin summer 2019.
------------------	--

Roster procurements are open to eligible firms within the applicable associated roster list for the procurement. This information is neither a guarantee of contracting opportunities, nor a promise of business and is subject to change.

To add your firm to the OBD, or update vendor profile information, to include what rosters your firm is listed for, log in here: https://web6.seattle.gov/FAS/OBD/Logon/Logon.aspx. If you have any questions on the prospective projects, please contact the staff person identified for the project.

ROSTER SOLICITATION: New Mobility Survey Development

Project Manager	Becky Edmonds
Email	Becky.edmonds@seattle.gov
Phone	(206) 684-5104
Website	https://www.seattle.gov/transportation/projects-and- programs/programs/parking-program/parking-regulations/car-sharing-and- parking-regulations

High Level Scope	Develop survey instrument to be deployed by car share operators to their members, as required by City of Seattle permit conditions. The Survey will be designed to understand respondents' transportation choices, particularly related to car sharing. The survey will also be designed to possibly be replicated for a citywide survey of users and non-users.
Contracting Opportunities (1)	Scope Summary Scope will include: review past survey instrument and update to reflect current conditions, including relevant question logic to filter questions to particular users. Survey instrument will be used specifically for car share users to begin, but should be easily replicable for a wider audience as well. Funding Notes: The project is funded through car share permit holder fees.
Scope Details	Contracting Opportunity is anticipated to be released as a roster solicitation. The solicitation will be sent to firms registered under relevant roster categories from the City of Seattle Online Business Directory (OBD).
Contract Estimate(s)	\$50,000

Schedule Summary	SDOT will release the roster solicitation as soon as possible (early April 2019) with a goal for the survey instrument to be complete by the end of Q3 2019.
---------------------	--

Roster procurements are open to eligible firms within the applicable associated roster list for the procurement. This information is neither a guarantee of contracting opportunities, nor a promise of business and is subject to change.

Roster Solicitation: SDOT Operations Planning On-call

Project Manager	Chris Saleeba
Email	Chris.Saleeba@seattle.gov
Phone	(206) 265-5510
Website	

High Level Scope	Conduct data collection, traffic modeling, quick small-scale planning efforts, and operational analyses in response to emergent transportation issues.
	Purpose + goal The purpose of this SDOT on-call project is to complete the assessment of the potential benefits/impacts of operational concepts, to recommend solutions for consideration, and to prepare concept plans. The work performed under this contract will consist of individual work orders. A detailed scope of work shall be developed and negotiated for each work order. The project scope for each work order may involve any one or combination of tasks including: planning and design, conceptual development, feasibility and alternatives analysis, traffic engineering and modeling, transit corridor planning and operations services. Scope of work may include tasks such as: • Data collection - collect data to support the operational analysis and design
Contracting Opportunities	 of spot improvements as requested by SDOT for locations determined under each work order. Transportation Planning and Operational Analysis - review existing and/or future transit routing along selected corridors or intersections, evaluate existing traffic patterns, and identify congested areas for transit operation. Model existing and proposed traffic and transit operations utilizing Synchro or Vissim software as needed to analyze the impacts of proposed concepts. Design and Implementation - design of traffic signal modifications, ITS design, channelization modifications, curb/sidewalk/curb-ramp modifications, bicycle facilities, bus islands, and prepare cost estimates. Potential deliverables:
	Data reports that may include:

	 Pedestrian counts and inventory of passenger waiting areas
	 Bicycle counts
	 Collision history data
	 Existing signal infrastructure (as-builts, field verification)
	 Existing channelization and sidewalk widths (as-builts, paintline
	sketches, field verification)
	o Survey
	 Traffic analysis technical memorandum/report
	Feasibility study
	 Cost-benefit analysis
	Before/after study
	Conceptual design plans
	• Cost estimates
	Contracting Opportunity is anticipated to be released as a roster solicitation. The
Scope Details	solicitation will be sent to firms registered under relevant roster categories from the
	City of Seattle Online Business Directory (OBD).
Contract Estimate(s)	\$140,000

Schedule Summary	SDOT is looking to release this in Spring 2019.
------------------	---

Roster procurements are open to eligible firms within the applicable associated roster list for the procurement. This information is neither a guarantee of contracting opportunities, nor a promise of business and is subject to change.

To add your firm to the OBD, or update vendor profile information, to include what rosters your firm is listed for, log in here: https://web6.seattle.gov/FAS/OBD/Logon/Logon.aspx. If you have any questions on the prospective projects, please contact the staff person identified for the project.

On-Call Transit Planning and Capital Improvements

Project Manager	Jeff Bender
Email	jeff.bender@seattle.gov
Phone	(206) 684-8837
Website	http://www.seattle.gov/transportation/projects-and- programs/programs/transit-program/transit-plus-multimodal-corridor- program

High Level Scope	Provide on-call planning, design, and engineering support for transit and multi-modal corridor capital projects.
Contracting Opportunities (3)	 On-call Transit Planning and Capital Improvements Scope Summary Tasks to support Transit Plus Multimodal Corridor Program management and other transit and multimodal capital project development in Seattle: 1) project management and coordination, 2) data collection and analysis, 3) transportation planning and operational analysis, 4) transit and other modal planning, design and engineering. Estimate: \$495,000, up to three contracts Funding Notes: Project is fully funded through the Move Seattle Levy.
Scope Details	Contracting Opportunity is anticipated to be released as an RFQ.
Contract Estimate(s)	\$495,000

Schedule Summary	SDOT is looking to release an RFQ in Spring 2019.
