The Burke-Gilman Trail Missing Link

The network map shows the alignment for the Burke-Gilman Trail that has been previously adopted by the Seattle City Council. At the time this Bicycle Master Plan was adopted, an Environmental Impact Statement was being prepared to consider this alignment and other alternative alignments. The final alignment for the completion of this portion of the Burke-Gilman Trail will be determined following the completion of the EIS process and any changes in alignment will be reflected in a subsequent update of the BMP.
