

NOTICE OF PUBLIC SPACE APPLICATION

The Street Use Division of SDOT is reviewing a public space application. You may submit comments on this to SDOT.

| | |
|------------------------|---|
| Description: | Proposal to install Electrical Vehicle Charging Stations for Curb-Space usage |
| Applicant: | Seattle City Light |
| Application #: | Public Space Management #402149 |
| Dimensions: | (2) EV Charging Stations (26" x 17" charging station) |
| Location: | Adjacent to parking stalls EBY-01-02 and EBY-01-04 |
| Comment Period: | 2/28/2019 through 3/14/2019 |

Be sure to include the application number when submitting comments, and let us know if you want to remain anonymous. Submit comments no later than the end of the comment period to our Public Space Management program at:

Seattle Department of Transportation
ATTN: Public Space
P.O. Box 34996
Seattle, WA 98124-4996

Or via email to publicspace@seattle.gov

Additional Information:

- Information on public space permits can be found at: <https://www.seattle.gov/transportation/permits-and-services/permits/public-space-management-permits>
- After the comment period ends, SDOT will make a permit decision on the application. Any person may request a review or reconsideration of a decision made by SDOT. This request shall be sent to the Director of Transportation within 10 calendar days of the decision as required by SMC Section 15.04.112.
