The screenshot shows a web interface for reserving a curb space. At the top, there's a navigation bar with links for Announcements, Logged in as emile, Collections (0), Cart (1), and Account. Below this is a 'CURB SPACE' section with the instruction: 'You need to add each curbspace that you want to reserve. Use this [map](#) and click on a curbspace to find the Block ID and Curb Space.' Below the instruction are three input fields: 'Block ID:', 'Curb Space:', and 'Location:'. The 'Block ID' and 'Curb Space' fields are circled in orange. Below these fields is a 'Central Business District:' dropdown menu and a 'Requested Start Time:' dropdown menu with a '--Select--' option. A blue 'Submit' button is at the bottom left. To the right of the form is a map of downtown Seattle. An orange arrow points from the 'Block ID' field to a specific curb space on the map. A pop-up window titled '(1 of 2)' is overlaid on the map, displaying the following information: 'You may reserve:', 'Block ID: 8-05', 'Curb Space: 6', 'Space Type: PS', and 'Space description: PAY STATION'. There is also a 'Zoom to' link at the bottom of the pop-up.
