Dear Pioneer Square area residents, businesses, and property owners:

Thank you for the many comments on the proposed Sunday time limits to free on-street parking in Pioneer Square that were outlined in the mailer sent in June 2014. Starting soon, you'll see SDOT crews installing new parking time limit signs throughout the area. SDOT anticipates that the signs will be in place by late September 2014. For the first two Sundays that the time limits are posted, Parking Enforcement will issue courtesy notices to vehicles parked in the area.

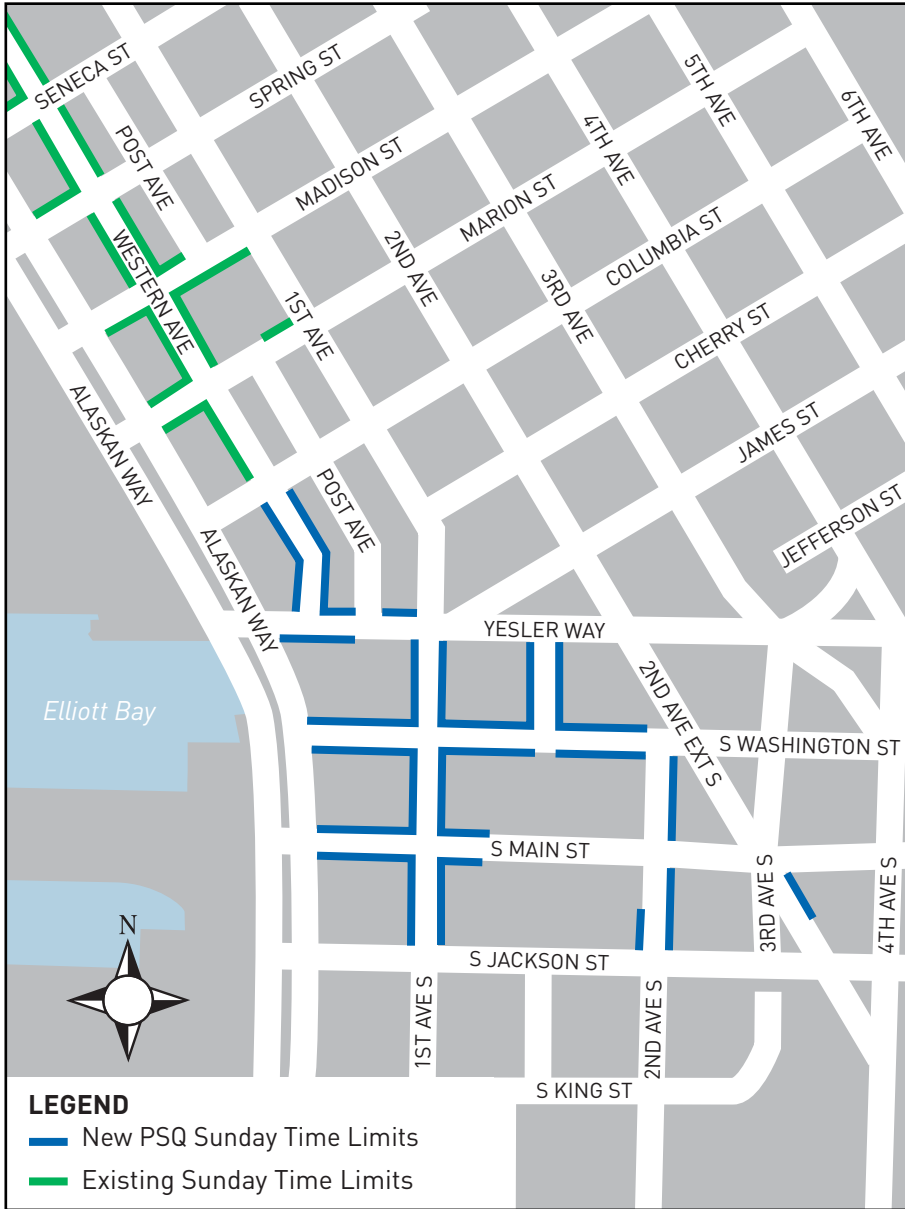

The Sunday time limits are designed to improve parking turnover and access. This will allow more customers and visitors from around the region to visit Pioneer Square and more easily find parking on Sundays. The change will affect approximately 25% of the on-street parking spaces in Pioneer Square. One thing remains the same - Sunday on-street parking remains free.

Sincerely,  
Mary Rutherford  
Director, SDOT Traffic Management
