# Notice of Decision

## Parking Changes in Southeast Wallingford

**See inside for details on where parking  
restrictions are changing.**

SEPTEMBER 2019

**Seattle**  
Department of  
Transportation

## Why are we making parking changes in Southeast Wallingford?

SDOT received a request from the Wallingford Community Council to evaluate residential areas in southeast Wallingford for eligibility for a Restricted Parking Zone (RPZ). We completed a parking study and sought feedback about on-street parking in the area. We've used the parking study results and feedback to develop the changes outlined in this mailer. Please visit our website for more details [www.seattle.gov/NewAndChangingRPZs](http://www.seattle.gov/NewAndChangingRPZs). Thank you to all who participated in this process.

## What we are changing

### Zone 22

- We are standardizing Zone 22 restrictions to be in effect **7 AM – 6 PM, Monday – Friday with a 2-hour limit for vehicles without a Zone 22 permit**. These hours match Zone 33 to the north and are consistent with most other RPZs in the city. Most responses concerning this part of the proposal were in favor.
- SDOT crews will begin changing signs in November.
- **We are not expanding Zone 22 east, as previously proposed.** Most responses, including from residents who live within the previously proposed area, were not in favor of expansion. For more information about the comments received, please visit [www.seattle.gov/NewAndChangingRPZs](http://www.seattle.gov/NewAndChangingRPZs).

- Through SDOT's standard petition process, individual blocks adjacent to Zone 22 signed blocks may be able to have Zone 22 signs installed (including blocks east of Wallingford Ave N). Please email [RPZrequests@seattle.gov](mailto:RPZrequests@seattle.gov) for further information.

### Zone 34

- **We are expanding Zone 34 south to NE Pacific St.** Most responses concerning this part of the proposal were in favor.
- Crews will begin installing Zone 34 signs in November. Zone 34 signs will be installed on the orange-lined blocks shown on the map below and will be in effect 7 AM – 6 PM, Monday – Friday with a 2-hour limit for vehicles without a Zone 34 permit.
- In early October, SDOT will mail residents within the orange-shaded area shown on the map below information on how to purchase permits.
- Each household is eligible for up to 4 permits and 1 guest permit. Permits are currently \$65 per vehicle for a 2-year cycle. A \$10 low-income permit is available. Permits are not prorated and will renew in November of even-numbered years.

### Questions?

Please find more information on the changes on our website at [www.seattle.gov/transportation/NewAndChangingRPZs](http://www.seattle.gov/transportation/NewAndChangingRPZs) or contact SDOT's Ruth Harper at [Ruth.Harper@seattle.gov](mailto:Ruth.Harper@seattle.gov) or by phone at (206) 684-4103.
