

# RESTRICTED PARKING ZONE (RPZ) 13 EXPANSION REMOTE PUBLIC HEARING

## RPZ Remote Public Hearing:

**Thursday, March 18, 6:00 PM – 7:30 PM**

- SDOT staff will give a brief presentation on the proposed RPZ expansion at 6:00 PM.
- Public comment begins at 6:15 PM and is limited to 2 minutes per person. Comments and questions should be limited to the RPZ portion of the overall Uptown Curbspace Access plan. There will be a Q&A at the end.
- Visit [www.seattle.gov/transportation/uptownaccess](http://www.seattle.gov/transportation/uptownaccess) to sign up to attend this virtual hearing.

## Why are we proposing this?

- The Climate Pledge Arena is scheduled to open in fall 2021.
- SDOT is designing new curb regulations to support access for residents, businesses and visitors and prevent gridlock in Uptown.

## What RPZ changes are we proposing?

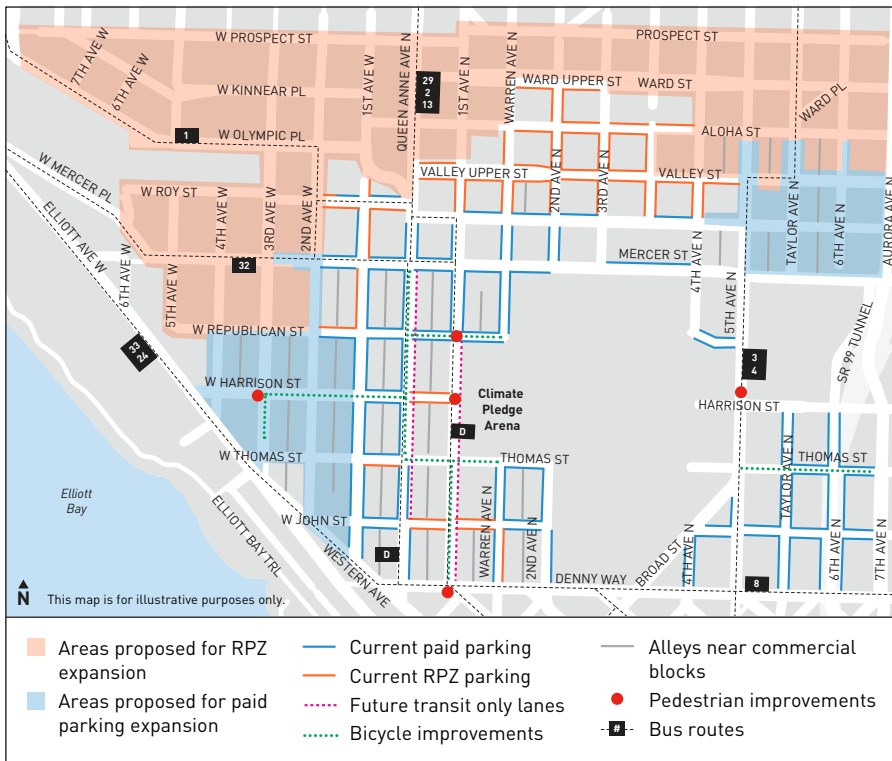

- Expand RPZ 13 to the orange shaded area. Signs would be placed adjacent to ground floor residential uses only.
- RPZ 13 restrictions would change throughout to allow 2-hour parking for vehicles without Zone 13 permits between the hours of 7 AM – 10 PM, every day. Most RPZs in Seattle allow 2-hour parking to accommodate short-term visitors. Event-goers would be discouraged from parking on the street.
  - RPZ permits currently cost \$65 per vehicle for a two-year cycle. A \$10 low-income permit is available.
- Paid parking proposed to expand in blue-shaded areas areas to improve customer access. More info at: [www.seattle.gov/transportation/uptownaccess](http://www.seattle.gov/transportation/uptownaccess)
- Blocks would be redesigned to optimize access for commercial and passenger loading needs.
- Designated disabled spaces may be added at block ends.
