points (“**Points**”) based on CMT predefined Points award criteria as later described in these rules.

## **2. ACCEPTANCE OF RULES**

Each person who downloads the Promotion App to enter the Promotion (“**Entrant**”), unconditionally accepts and agrees to comply with and abide by these Official Rules and the decisions of the City of Seattle of [Seattle Municipal Tower, 700 5th Ave, Seattle, WA 98104] (the “**Administrator**”), CMT of [101 Main St, 14<sup>th</sup> Floor, Cambridge, MA 02142] (“**App Administrator**”) and/or PEMCO [1300 Dexter Ave N, Seattle, WA 98109] (the “**Sponsor**” that will be providing and fulfilling prizes), whose decisions shall be final and legally binding in all respects and not subject to additional review.

## **3. ELIGIBILITY**

This Promotion is open to legal residents of King, Pierce, Snohomish, and Kitsap counties (comprised of participating Zip Codes listed at the end of these Official Rules) who are eighteen (18) years of age or older at the time of entry and who reside in the United States at the time of entry. For prize eligibility, at least a portion of trips must be made within Seattle city limits. ## **4. HOW TO ENTER**

As part of the entry process, you will need to enter your participating zip code on the registration page. If you would like to be eligible for prizes, you will also need to enter a valid email address so you can be notified if you are a winner.

To activate your App and begin entry in the Promotion, you must begin a trip via your vehicle and/or travel by taking transit, ferry or by bicycle (collectively “**Actions**”).

## **5. DEFINITIONS:**

**“Joining”** will be defined as downloading the Seattle’s Safest Driver App and activating the App by starting a Trip.

A **“Trip”** will be defined as taking any of the above Actions and generating movement to activate the installed App.

**“Trip Ends”** will be defined as no movement after five (5) minutes of starting a Trip.

**“Car Free Trip”** will be defined as an Action for traveling by transit, ferry, bicycle and/or .

Skill based **“Points”** or **“Score”** will be determined by the App based on individual driving skills as determined by the App’s exclusive methodology. The methodology monitors the frequency and acceleration intensity, braking intensity and frequency, average speed of the vehicle in relation to posted speed limits, along with interacting (interaction?) time with phone while the vehicle is moving. Participants will receive a rating and suggestive corrective action after each trip. Ratings will be from 1-5 stars.

**"Driving Score" & "Ratings":**

At the end of a Trip, participants will receive a "Rating" in five categories including braking, acceleration, cornering, speeding, and phone distraction. A five-star rated Trip means the user scored highly in all categories.

A user then receives a "Driving Score" after a reasonable amount of Trips have been completed (typically all trips occur in one day with an average amount of driving time in order to create a Driving Score). This Driving Score is calculated (out of 100) using the last two weeks of rated Trips. The Driving Score is based on five sub-scores including braking, acceleration, cornering, speeding and phone distraction.

**“Rolling Score”** will be defined as a rolling-two-week average Driving Score of each participant’s Trip. For example; on day #1 your Driving Score starts and on day #15 the Trips and Driving Scores will be averaged to produce a Rolling Score. The next two-week period will begin and follow the same procedure. No Driving Score points from one two-week period will be rolled over to any other two week Rolling Score. Each two-week period stands on its own. This Driving Score will appear in the dashboard of your App.

**LIMIT:** You may download one (1) Seattle’s Safest Driver App per person and you may enter this Promotion only one (1) time.

All entries are subject to verification and approval by the Administrator, App Administrator, and Sponsor.
