SDOT's mission & vision

Mission: delivering a first-rate transportation system for Seattle.

Vision: a vibrant Seattle with connected people, places, and products.

SDOT's core principles

Presentation overview

- What
- Why
- How
- Where – Major Truck Streets/Oversize load routes
- When
- Questions

What

- Transformation of streets into safer and healthier public spaces
- Predictable movement of people and **goods**
- Long-term vision of the street(s)

Why

- Seattle is growing – accommodating more people and **goods** is essential.
- Street design shapes life choices
- Improve quality of life for people of all ages and abilities

How – meeting SDOT's core principles

- Safety is first priority
- Maintenance supports safe and reliable movement
- Decisions focused on individual and environmental health
- Ensure access for **goods** and people and provide transportation choices
- Develop a cohesive vision of the street(s)
