

Join the Seattle Management Association Board of Directors

Nominations for the Seattle Management Association Board are being accepted now! SMA is looking for several individuals to join the SMA board in January 2017.

We would love to have any interested parties join us for our full day board retreat in January 2017. Applicants for the Board of Directors must become SMA members. Prior membership is not required. We will be accepting applications until all board positions are filled.

We encourage you to apply if you are interested in meeting other City employees and taking part in shaping activities and events of interest to current and aspiring City leaders. We are a dynamic working board with opportunities to use or develop event planning, project management, budgeting, communications and marketing skills.

The ongoing time commitment involves attending monthly 1-2 hour board meetings. Additional time is spent outside of the board meetings in subcommittees that are usually 1-2 hours monthly.

Board membership provides the opportunity for:

- **Leadership Skills Development**
Add to or refresh your professional skills by attending training and speaker events targeted to help develop leadership skills that are relevant to the work of our members.
- **Outstanding Networking and Professional Growth Opportunities**
Take advantage of a variety of opportunities to expand your professional network by planning and promoting professional development or speaker series events or chairing a committee.
- **Excellence in Leadership Awards Programs**
Be involved in this unique City program that recognizes individual employees and teams for their outstanding leadership throughout the City. 2016 Awards categories included Public Service, Community Service, Planning and Project Management, and Race and Social Justice.

Complete the application at <https://www.surveymonkey.com/r/R96J5R>.

If you have any questions please contact Jennifer Greenlee, SMA President, at Jennifer.greenlee@seattle.gov or 206-233-7118.
