\*Please confirm date and time on the [STBD web site](#).

The Council, acting as the STBD Governing Board, will have until August 16 to act on the recommendation, the deadline for placing measures on the November ballot.

Please visit [Seattle Transportation Benefit District web site](#) for more information.

*In September 2010, the Seattle City Council created CTAC III through [Resolution 31240](#). The STBD Board will receive guidance and advice from CTAC III about how to spend the existing \$20 Vehicle License Fee (VLF). CTAC III will also provide advice on whether to seek voter approval for as much as an additional \$80 VLF and/or other fees that would require voter approval. CTAC III's recommendation matrix is attached.*
