**EXCITING IMPROVEMENTS COMING TO  
GREENWOOD AVE N!**

## Project Overview

We're completing the sidewalks along Greenwood Ave N to fill key gaps between N 112th St and N 117th St, and N 134th St and N 137th St. This final phase will include new sidewalks, curbs, planting strips, a future upgraded pedestrian signal, and ADA (Americans with Disabilities Act)-compliant curb ramps, ensuring safer and more accessible routes for all users.

This project represents the culmination of years of effort to transform Greenwood Ave N into a safe, connected, and accessible corridor. These enhancements will make it easier for residents to walk, roll, and reach schools, transit, businesses, and community destinations. By improving safety and accessibility, we're fostering stronger connections within our neighborhood and encouraging active travel for people of all ages and abilities.

## Project Locations

- Greenwood Ave N between N 136th St and N 137th St (east and west side of the street)
- Greenwood Ave N between N 133rd St and N 134th St (east side of the street only)
- Greenwood Ave N between N 112nd St to N 117th St (east and west side of street)

We are hosting two drop-in sessions to share the project. Join us at one of our upcoming drop-in sessions to learn more about the project, ask questions, and share your thoughts.
