SCHEDULE RDC – RESERVED DISTRIBUTION CAPACITY CHARGE

Effective January 1, 2019

SCHEDULE RDC is for non-residential customers with reserve capacity to meet their loads on a circuit which is different from their normal service circuit.

RESERVED DISTRIBUTION CAPACITY CHARGE:
\$0.40 per kW of monthly maximum demand

Seattle Municipal Code Section 21.49.085

- A. Non-residential customers located in areas of the Department's service territory where there is adequate distribution capacity may request that the Department reserve capacity sufficient to meet their loads on a circuit which is different from their normal service circuit. Such customers shall pay a reserved distribution capacity charge.
 - B. The acceptance and continued implementation of a customer's request for reserved distribution capacity shall always be contingent on the Department's sole determination that adequate distribution capacity is available.
