ASSOCIATED RECREATION COUNCIL
For 39 years, the Associated Recreation Council (ARC) has provided recreation, lifelong learning programs and community-driven leadership in partnership with Seattle Parks and Recreation. With a goal of providing equitable access to citywide programs for Seattle residents of all ages, ARC works through 37 volunteer Advisory Councils to fulfill its mission of “building community through citizen engagement and participation in recreation and lifelong learning programs.” ARC is a 501c3 nonprofit organization. For more information, go to www.arcseattle.org.

YOUR ADVISORY COUNCIL
Most classes, workshops, sports and swim programs, special events and facility rentals are funded through the local advisory council, rather than from City of Seattle budgets. Revenues generated through program fees offset program costs to make these activities self-sustaining. We also rely on participation, donations, and contributions to maintain and upgrade equipment. Advisory council members create scholarship opportunities through grant writing and other fundraising activities.

JOIN US!
Citizen direction and participation is essential to our success. Monthly meetings are held to talk about programs, policies, and financial issues. Our advisory councils always are looking for new members. If you would like to get involved, please contact the facility staff for further information.

DISCLAIMER NOTE: Although we strive to be accurate, this brochure is published for information purposes only. Changes may be necessary to the content depending on levels of participation or other factors, and fees may change after City Council action on the City budget each year. Please visit www.seattle.gov/parks for updated information.
Dear Recreation Enthusiast,

The secret is out: there’s no better place to be in the summer than Seattle. And for our city’s active children and families, Seattle Parks and Recreation is the place to enjoy the great outdoors and have fun.

The department sponsors a wide variety of affordable summer day camps, activity camps, nature day camps and special events in many areas of the city.

Take your pick – and enjoy!

Sincerely,

Christopher Williams
Acting Superintendent

SUMMER CAMP INFORMATION!

Families may register for Day Camp and an Activity Camp in the same week if a parent/guardian provides signed authorization that a staff person can sign their child in/out between programs. Full payment for both programs is required.

TRANSFER POLICY: Families may transfer their child from one camp to another at the same facility, without charge, if space exists. Requests must be received SEVEN (7) DAYS prior to the start of the camps.

DEPOSIT POLICY: At the time of registration, a $15 non-refundable deposit per week will be collected that is applied to the balance. The balance of the fee, for all weeks, is due TWO weeks prior to the registered week.

We look forward to serving you for another great summer!

**SUMMER CAMPS 2015** | register online at seattle.gov/parks
CITYWIDE YOUTH ATHLETICS SUMMER SPORTS CAMPS

Our low cost and FREE sports camps offer a fun and positive experience for your child’s inner athlete. We will divide kids into groups based on age/ability level, and have a great time working on age-appropriate fundamentals that will incorporate fun competitions, games, races and scrimmages. Our camps are designed for kids ranging from the very beginner to the seasoned athlete. All kids can expect to improve their skill level! Please bring a sack lunch, snacks, water bottle, sunscreen and dress appropriately for the weather (layers). Space is limited in these camps so register early. E-13 and signed concussion form are due at the time of registration and can either be faxed to the Youth Athletics Office at 206-615-0073, or emailed to kristen.schuler@seattle.gov.
