Notes: Per ITB Pricing evaluation : • Item #1. Whoever can meet the delivery dates will be awarded the bid for item 1. If multiple vendors can meet the delivery date then the vendor with the lowest price will be awarded the bid for item 1. If no vendors can meet the delivery date, then the bid for item 1 will be awarded to the vendor with the shortest delivery time. Since both vendors can meet the delivery time the intent to award will go to the vendor with the lowest price which is HD Supply Utilities.

Award to: _____ Date: 5/5/11
